Report of the Portfolio Holder for Housing Services and Communities

Tamworth Borough Council Grant Schemes

EXEMPT INFORMATION

The Appendices to this Report are not for publication because the appendices could involve the disclosure of exempt information as defined in Paragraphs 1 and 3 of Part 1 of Schedule 12A to the Local Government Act 1972 (as amended)

PURPOSE

To agree grant applications to the Council's Small Grants Scheme.

RECOMMENDATIONS

- **That Cabinet consider the applications and approve officer recommendations for small grants, art grants, sport grants and business grants**
- **That Cabinet Delegate authority to the Executive Director of Communities in consultation with the Portfolio Holder for Communities to manage the Festive Grant Applications and agree Festive Grant awards including any variations during the term of the grants**

EXECUTIVE SUMMARY

The small grant, sports grants, arts grants and business grant applications were previously submitted to Cabinet Sub-grants committee four times per year for consideration.

It has been agreed that Cabinet will now consider applications to all of the schemes directly via one report which therefore negates the need for Cabinet Sub-grants Committee.

Prior to the Cabinet meeting a summary overview of **all** eligible grant applications received and evaluations has been circulated by the responsible officers, via email, to the Portfolio Holder for Communities, Portfolio Holder for Cultural and Operational Services and the Portfolio Holder for Heritage and Growth for information to consider applications made, raise any questions with responsible Officers prior to Cabinet to inform decisions at the Cabinet Meeting for awards or refusal based on grant criteria.

Festive Grants

In 2017 Cabinet approved the allocation of the Mayoral Hamper scheme budget of £3000 to a new scheme - the Festive Grant Scheme. The £3000 grant is divided between the ten Tamworth wards with each ward Councillor receiving an allocation of £100 (£300 per Ward) to be utilised for the residents of the Ward who attend a local group, with the aim of combating social isolation at Christmas. Application must be submitted via a Ward Councillor who can recommend and support worthy groups.

Full details and application form is available on the Council website: <https://www.tamworth.gov.uk/festive-grants>

Over the past two years, the Grants Sub-Committee have made decisions on these award applications. However, as the application deadline for this year's Festive Grants is 1st November 2019 and grants will need to be paid to successful organisations promptly in time for their festive delivery plans, the Cabinet meeting on 28th November 2019 may not allow sufficient time for awards to be made.

In order to address this, all Ward Councillors are asked to submit applications in a timely manner for grants to groups within their Wards for collation and report by Partnership staff and Cabinet are asked to delegate authority for decisions on this year's Festive Grant Awards to be given to the Executive Director of Communities in consultation with the Portfolio Holder for Communities to recommend award in time for the festive season. All grants awarded will be subject to full publicity and published on the Council website under the Local Government Transparency code.

LEGAL/RISK IMPLICATIONS BACKGROUND

There are no staffing, community/performance planning, sustainable development, community safety, equal opportunities or human rights implications arising from this report.

There are no associated risks arising directly from the report.

The intention is to review the grants process in terms of governance and process in time for the 2020/21 financial year.

SUSTAINABILITY IMPLICATIONS

All grants are monitored and outcomes reported via the Council's performance management framework.
