Filming of Meetings

The public part of this meeting may be filmed and broadcast. Please refer to the Council's Protocol on Filming, Videoing, Photography and Audio Recording at Council meetings which can be found [here](#) for further information.

The Protocol requires that no members of the public are to be deliberately filmed. Where possible, an area in the meeting room will be set aside for videoing, this is normally from the front of the public gallery. This aims to allow filming to be carried out whilst minimising the risk of the public being accidentally filmed.

If a member of the public is particularly concerned about accidental filming, please consider the location of any cameras when selecting a seat.
