REPORT OF THE SOLICITOR TO THE COUNCIL AND MONITORING OFFICER

REGULATION OF MEMBERS CONDUCT

PURPOSE

To advise Members on the number of complaints received for the period 01 May 2015 until 30 April 2016 in relation to alleged breaches of the Code of Conduct arising from implementation of Part 1 Chapter 7 of the Localism Act 2011 which introduced provisions to assist with the regulation of standards of conduct for elected and co-opted Councillors.

RECOMMENDATIONS

Members are requested to endorse the findings of the contents of the report.

EXECUTIVE SUMMARY

Since the establishment of the new Code of Conduct in July 2012 the new Standards regime has been well received by members. In the year from 01 May 2015 until 30 April 2016 members have maintained high standards of conduct and abided with the rules regarding interests, declarations and predetermination. Accordingly I can advise that in the period from 01 May 2015 until to 30 April 2016 two complaints were received.

The complaints were received on 11 September 2015 and 15 September 2015 respectively. The first complaint was resolved by the member concerned apologising at a meeting of Cabinet on 1 October 2015 to the complainant. The second complaint resulted in open admission of the incident and an apology being given orally, at a meeting of Council on 15 December 2015 by a member.

RESOURCE IMPLICATIONS

The operation of the arrangements relating to Standards of Conduct does not have any additional resource implications for the Authority, however the process of investigation would have financial implications as it would be necessary to utilise external support in such circumstances. In the year to 30 April 2016 the Council has not incurred any expense for external support in relation to the complaints received on 11 and 15 September 2015 respectively.

LEGAL/RISK IMPLICATIONS BACKGROUND

Effective arrangements to deal with complaints provides the mitigating action necessary to ensure that the Authority meets its statutory obligations under the Localism Act 2011.

SUSTAINABILITY IMPLICATIONS

The arrangements ensure that the staff of the Council and the citizens of Tamworth benefit from a robust, open and transparent complaints process.

BACKGROUND INFORMATION

The Localism Act 2011 repealed Section 55 of the Local Government Act 2000 which provided the previous Standards regime. There still remains a requirement to deal with conduct issues and associated case-work. Accordingly the Audit and Governance Committee membership was increased and its remit was extended to deal with regulation of Members Conduct. In addition an Independent Person was appointed to assist the process albeit such person is not a member of the Committee.
