- Those charged with Governance also have a personal responsibility to ensure they have the appropriate skills and training in their role;
- The procedures for monitoring Treasury Management activities through audit, scrutiny and inspection should be sound and rigorously applied, with an openness of access to information and well-defined arrangements for the review and implementation of recommendations for change; and
- This includes the provision of monitoring information and regular review by Councillors in both executive and Scrutiny functions.

In compliance with the above, a copy of the Treasury Management Strategy and Prudential Indicators for 2017/18 is attached at **Annex 1**, together with a copy of the Mid-year Report on the Treasury Management Service 2016/17 at **Annex 2**.
