Report Objectives and Purpose

Compliance Audits check Provider compliance with Homes England's policies, procedures and funding conditions. Standardised checks are made by Independent Auditors on an agreed sample of Homes England schemes funded under affordable housing programmes. Any findings, which may be a result of checks not being applicable to the scheme or an indication of procedural deficiency, are reported by the Independent Auditor to both the Provider and Homes England concurrently. The Homes England Lead Auditor reviews the findings and records those determined to be 'breaches' in this report. Breaches are used as the basis for recommendations and final grades for Providers. Grades of green, amber or red are awarded; definitions are provided at the end of this document.
