Evidence on Celandine/Reedmace Park of aggressive behaviour to residents

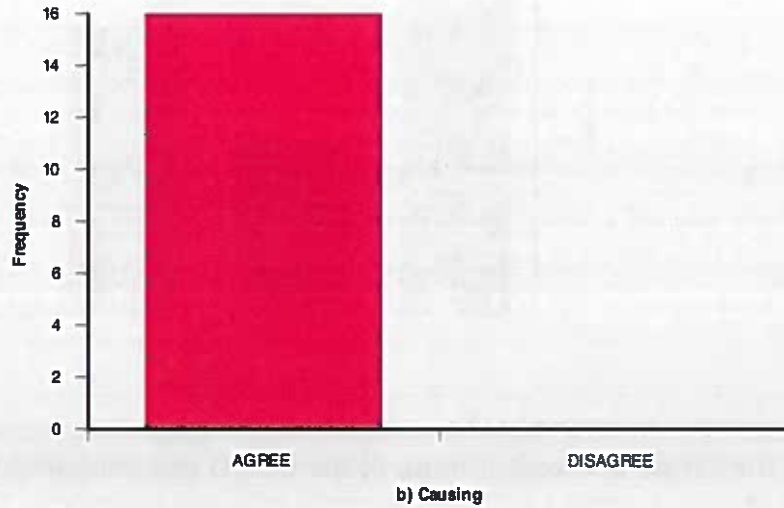

The park is a children's play area not a recreational drug den

Common areas are underpass between Peelers Way and Snowdome - I have reported to 101 frequently

When trying to sleep after 10pm loud noise of shouting and motorbikes from that area

b) Causing or permitting excessive amplified music or other noise such as to cause or be likely to cause alarm, harassment or distress as a result of a gathering

AGREE / DISAGREE

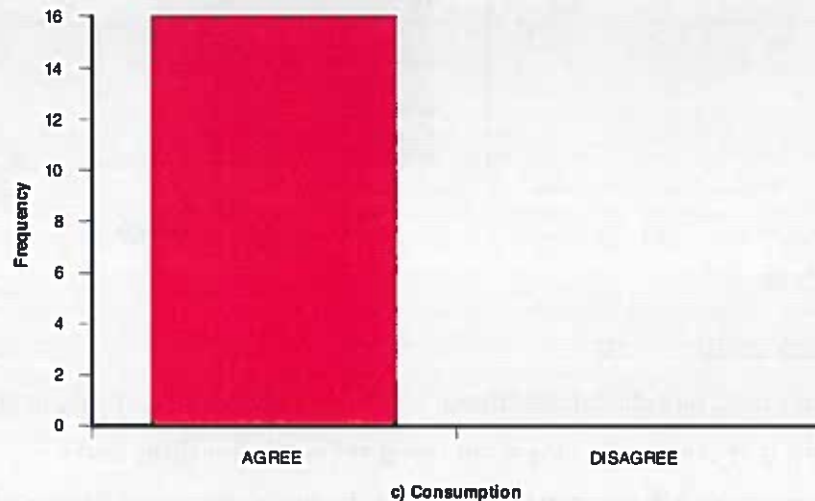

Comments:

(Not answered) 15

Music from Celandine/Reedmace Park heard inside nearby houses over the summer

c) Consumption of alcohol when it is believed that any person is either committing or is likely to commit Anti-Social Behaviour in a public place and must dispose of any vessel believed to contain alcohol, when asked to do so by an authorised person

AGREE / DISAGREE

Related to aggressive behaviour comment in Section A - broken glass issue around celandine/Reedmace park

Bottle/Glass on cycle and pedestrian paths need cleaning; Peelers Way and Snowdome are and Underpass

d) Consumption of alcohol by persons under 18 who must dispose of any vessel believed to contain alcohol, when asked to do so by an authorised person at all times

AGREE / DISAGREE

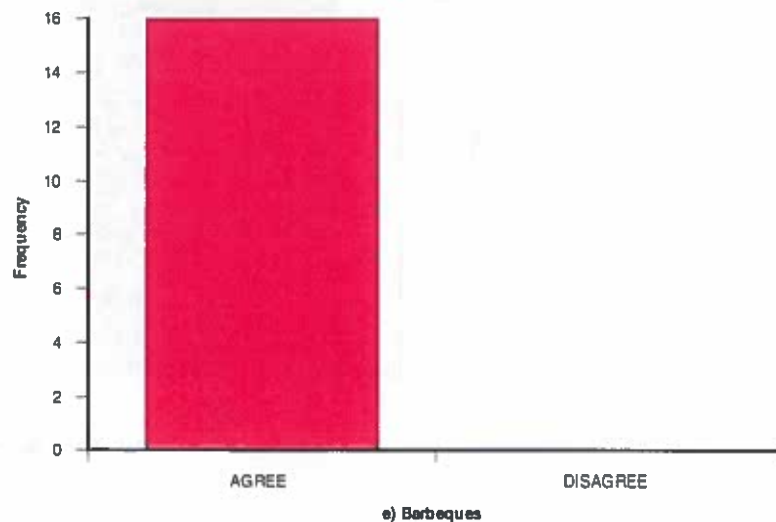

Comments:

This was my concern around Borrowpit – I do not want to stop fishermen having a beer while fishing

3. An authorised person can also require any person:

a) To not consume alcohol or anything the authorised person reasonably believes to be alcohol, in sealed or unsealed vessels

b) To surrender anything in the person's possession which is, or the authorised person reasonably believes to be, alcohol or likely to be used as a container for alcohol

Agree / Disagree

Comments

Unless lawful activity (charity event, fishing club member)

4. Finally, considering the PSPO are there any other comments you would like to make

This is about Anti-Social Behaviour, if it is not anti-social behaviour, e.g. fishing around Borrowpit with a beer, then we should be lenient.

Living opposite the little park on Celandine, I have been witness to all the issues raised in this order. Much improvement has been made over the summer months, due to the police involvement so far.

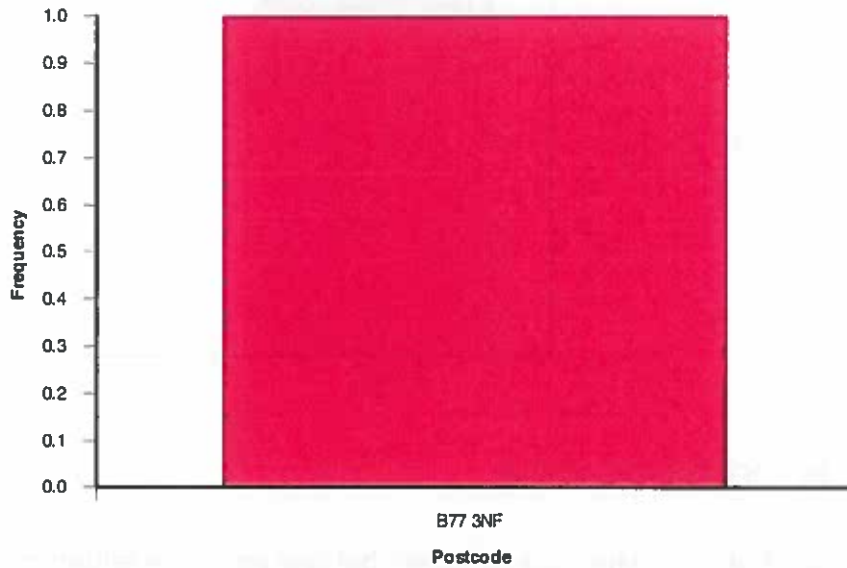

Why is graffiti not included as an item? Perhaps a separate entry as 2g. It's an awful problem in ALL underpasses and is not being cleaned its offensive and lets the town down. Peelers Way to Snowdome is bad. How can I volunteer to paint this underpass? I would gladly do this when needed if paint is provided. Please email details of who to contact, so that I can help keep the Peelers Way underpass looking nice.

Glad to see the police trying to tackle this unsociable behaviour please support them

These people are causing distress to the residents and need to be stopped.

THE UNIVERSITY OF CHICAGO
DEPARTMENT OF CHEMISTRY
5301 SOUTH CAMPUS DRIVE
CHICAGO, ILLINOIS 60637

DATE: 10/15/88

TIME	TEMPERATURE	PH	CONDUCTIVITY	RESISTANCE
0	25.0	7.0	100	1000
10	25.0	7.0	100	1000
20	25.0	7.0	100	1000
30	25.0	7.0	100	1000
40	25.0	7.0	100	1000
50	25.0	7.0	100	1000
60	25.0	7.0	100	1000
70	25.0	7.0	100	1000
80	25.0	7.0	100	1000
90	25.0	7.0	100	1000
100	25.0	7.0	100	1000

DESCRIPTION OF EXPERIMENT: Measurement of the rate of reaction between a weak acid and a weak base. The reaction is monitored by measuring the change in pH over time. The initial concentration of the acid is 0.1 M and the initial concentration of the base is 0.1 M. The reaction is carried out at a constant temperature of 25.0°C.

TIME	TEMPERATURE	PH	CONDUCTIVITY	RESISTANCE
0	25.0	7.0	100	1000
10	25.0	7.0	100	1000
20	25.0	7.0	100	1000
30	25.0	7.0	100	1000
40	25.0	7.0	100	1000
50	25.0	7.0	100	1000
60	25.0	7.0	100	1000
70	25.0	7.0	100	1000
80	25.0	7.0	100	1000
90	25.0	7.0	100	1000
100	25.0	7.0	100	1000

CONCLUSION: The reaction between the weak acid and the weak base is a first-order reaction. The rate constant for the reaction is 0.01 s⁻¹. The activation energy for the reaction is 50 kJ/mol.

yes		Thank you for the opportunity to comment on these latest proposals. Both are excellent ideas and long overdue. Please go ahead as soon as possible. I would like to suggest the areas covered by these should be extended slightly to include MacGregor Park and the area in front of the 19 Arches/River Anker up to the underpasses/road bridge into the flood plain area in the centre of the Egg Island. These areas are often used as meeting points for perpetrators who engage in ASB activities after buying their alcohol etc in nearby shops. I believe doing this would assist the police in performing their duties in these areas.
yes		Please accept this email as notice of my support for this application.
yes		I fully support the implementation of the above PDO's
Yes		I am writing in support of the public space protection order application for the Kettlebrook park near Celandine.
Yes		I am emailing to register my support for the Public Space Protection Orders proposal for Warwickshire Moor Nature Reserve. I have experienced many of the things listed in the proposal (anti-social behaviour, drinking alcohol, etc) in the public space and believe the protection order will benefit the area.
yes		I have no objection to the implementation of the above order. For some considerable period of time this area has attracted numbers of undesirable persons. I have previously reported to the Council and the Police instances of ASB. Furthermore the footpaths have been used by motorcyclists sometimes throughout daytime and early evening hours. This also has been reported.
yes		The park is a childrens play area not a recreational drug den. Regular fires lit in refuse bin.
yes

yes		
yes		I am relieved to see that something is being done about the problems we have been experiencing with the anti social behaviour in the underpass and paths leading from my house past Snowdome to town. I have found it intimidating on a few occasions trying to get past youths & girls congregating in the underpass. We have also had motobikes going up and down the path in front of my house early evening onwards so hopefully you will solve these problems.
yes		I am writing in support of the intended public space protection order for the area from Reedmace, Peelers Way, Snowdome, Barrowpit Lake and Namco Funscape. As a resident in TAMWORTH for over 20 years I have noticed a difference at times and with the lack of support for the police as a whole in the area there has been on odd occasions groups of youths in all these areas mentioned above moving from place to place who quite frankly neither live in that part of town nor should be doing the petty antisocial things they are doing at the costs of good communities and people. As the recent presence and checking by the community support teams and authorities has shown, once these people know they are not welcome to commit antisocial behaviour and once this is properly enforced with councils and the authorities backing it with the fair and right action and penalties...they move on. Hopefully with peoples support it will be recognised that places like the park by Reedmace and any area of TAMWORTH for that matter are for the enjoyment and betterment of law abiding citizens and their children to enjoy, not dodge broken bottles, petty drug usage and the mess they leave behind while generally being up to no good and rather pointless. I am due to leave the area and have fond memories of living in the area for a great deal of years as it was my first adult home. The area had a good reputation which drew me here from Sutton Coldfield and I still believe it has a good reputation now. I hope many others will do the same and have happy lives and homes here, as they should. I have enjoyed good and honest/decent neighbours for many years and long may that remain for the other people still living in what is a nice and safe area. They cause no issue so why should someone who doesn't live in the area do so and be tolerated? I hope this email shows my support.
		Hi could somebody be contact myself in regards to the proposals for the ASB controls for Bolehall, according to the map this does not include the Monkey Bridge where the issues appear to be at present, I'd like some clarification as to the proposed area please.
1		As a Moor Lane resident I fully support this action. However, I would like to point out that the vast majority of drinking / noise / smashed beer bottles / big gatherings takes place in the area over the railway footbridge approx 100 yards beyond the railway, outside of the area you identified on your map.
1		This area should be extended to the rest of the moortand on the otherside of the railway where most of the anti-social activity takes place. Shouldn't these laws apply to all public spaces anyway!
