DRAFT

1. Introduction

- 1.1. Every local Housing Authority is required to have a Housing Allocation Scheme, which is also known as the Authority's Allocations Policy. This document is Tamworth Borough Council's (the Councils) Allocations Scheme in accordance with the requirements of The Housing Act 1996 (Part VI) as amended. The allocation scheme determines priorities and defines the procedures to be followed in allocating social housing¹.
- 1.2. This Allocation Scheme sets out in detail who is and who is not eligible and qualifies to join the scheme and how this assessment is made. It also sets out how applicants can apply for and access housing and what service standards an applicant can expect.
- 1.3. The policy also provides advice on other housing options that applicants are advised to consider.
- 1.4. Tamworth Borough Council operates a Choice Based Lettings (CBL) scheme called; Finding a Home, and is based online at www.findingahometamworth.co.uk . Finding a home Tamworth is independent from the Council's website and is focussed on housing options.
- 1.5. This document explains how the Council will allocate its properties and make nominations to registered provider landlords within the Borough where the Council has nomination rights. However, individual registered providers will have their own policies, and these will apply where appropriate.
- 1.6. Registered providers which may advertise properties through finding a home include:
 - Waterloo Housing Group www.waterloo.org.uk
 - Derwent Living www.derwentliving.com
 - Midland Heart www.midlandheart.org.uk
 - Hanover www.hanover.org.uk
 - Orbit www.orbithomes.org.uk
 - Metropolitan www.metropolitan.org.uk/
 - Walsall Housing group www.whg.uk.com
 - Clarion housing www.myclarionhousing.com/
 - Bromford Living www.bromford.co.uk/
- 1.7. A copy of the Allocations Scheme is available free of charge. A summary is available routinely to everyone making an application for social housing.

¹ Social housing includes council owned housing and housing association (referred to as Registered Providers) homes that are let under a nominations agreement with the council.

- 1.8.** Advice and assistance relating to access to housing is also available free of charge from the Housing Solutions team based at Marmion House, Lichfield Street, Tamworth, Staffordshire (telephone 01827 709709 or email housingsolutions@tamworth.gov.uk).
- 1.9.** Anyone can approach the Housing Solutions service for advice and assistance. However, social housing in Tamworth is very limited, and the Council no longer holds an 'open' register'. Instead, the Council operates a 'managed register', which requires applicants to meet qualification criteria. Where an applicant does not qualify to join the housing register, the council will still provide advice and assistance, which can include signposting and referring the applicant to alternative routes into housing where possible and where appropriate.
- 1.10.** This allocations scheme is focussed on the assessment of applications for the housing register, and it is not a statement of how the Council deals with homelessness. Whilst there are references made to the provision of homelessness within this scheme, there are separate processes and procedures for dealing with homeless applications. The Council has a Homelessness Prevention Strategy which sets out how the Council aims to prevent Homelessness within the borough and this document and supporting evidence can be found on the councils website; www.tamworth.gov.uk/housing-policies.

2 Definition of an 'allocation' of accommodation

2.1 *What is an Allocation?*

The Housing Act 1996 as amended provides that the Council allocates housing accommodation when they²:

- Select a person to be an introductory or secure tenant of housing accommodation held by the Council
- Select a person to be a fixed term tenant of housing accommodation held by the Council
- Nominate a person to be an introductory or secure tenant of housing accommodation held by another housing authority
- Nominate a person to be a starter tenant (also known as probationary) or assured tenant of housing accommodation held by a Registered Provider

2.2 *What is not an Allocation?*

² S159 Housing Act 1996 as amended by the Homelessness Act 2002

Secure, introductory or demoted tenancies arising in the following circumstances are not covered by the allocations provision of the Act³, and therefore fall outside of the scope of this document. These are contained within the revised Tenancy Management Policy (2009):-

- Succession to a tenancy on the death of a previous tenant
- Assignment of a tenancy by way of a mutual exchange
- Assignment of a tenancy to a person who would be qualified to succeed to the tenancy on the death of a current tenant
- Transfer of the tenancy pursuant to a court order under family law or the Civil Partnership Act 2004
- Where a person becomes a secure tenant on ceasing to be an introductory tenant.

2.3 Transfers

Transfer tenants (Tamworth Borough Council tenants) who do not have an identified housing need in accordance with the allocations policy must pursue mutual exchanges and will not be ordinarily entitled to join the housing register.

Tenants with identified housing needs and who would usually be considered to be owed a 'reasonable preference' such as medical priority or would be considered to have a housing need under the terms of the policy for example overcrowding, under-occupancy are eligible to join the housing register and also pursue mutual exchanges.

For transfer applicants the Council will expect a clear current rent account in order to move and will also be required to have an approved property inspection.

3 Legal Framework

3.1 Legislation relating to allocation schemes is set out in the following:

- Housing Act 1996 (as amended 2002)
- Homelessness Act 2002
- Localism Act 2011

³ S160 Housing Act 1996 as amended by the Homelessness Act 2002

- Allocation of accommodation: Guidance for local housing authorities in England (Department for Communities and Local Government [DCLG])
- Right to Move- Statutory guidance on social housing allocations for local housing authorities in England 2015 DCLG

3.2 When framing the allocations policy further guidance has been sought from:

- Homelessness Reduction Act 2017
- Homelessness Code of Guidance for Local Authorities
- The Council's Housing and Health Strategy
- The Council's Homelessness Prevention Strategy
- The Council's Tenancy Strategy

3.3 The Housing Act 1996 (as amended) requires all Local Authorities to give '**Reasonable preference**' to certain groups of people who are in most housing need⁴. These groups are set out as follows;

- All homeless people as defined in Part VII of the Housing Act 1996, including people who are intentionally homeless and those who are in priority need.
- People who are owed a duty by any local housing authority under section 190(2), 193(2), 195(2) (or under section 65(2) or 68(2) of the Housing Act 1985) or who are occupying accommodation secured by any such authority under section 192(3)
- People occupying unsanitary, statutory overcrowded or otherwise unsatisfactory housing
- People who need to move on medical or welfare grounds (including grounds relating to a disability)
- People who need to move to a particular locality within the district to avoid hardship to themselves or others

3.4 In framing this Housing Allocation Policy the Council is also required to have regard to the following considerations:

- The scheme must be framed so as to give Reasonable Preference to applicants who fall within the categories set out in s.167 of the Housing Act 1996 over those who do not;
- Whilst there is no requirement to give equal weight to each of the Reasonable Preference categories, housing authorities should demonstrate why applicants are given a particular priority;
- There is no requirement for housing authorities to frame their scheme to afford greater priority to applicants who fall within more than one Reasonable

⁴ S167(2)

Preference category (cumulative preference) over those who have Reasonable Preference on a single non-urgent basis.

4 Housing Options

There is a shortage of housing in Tamworth and demand far exceeds supply. Unfortunately it is not possible for the Council to re-house everyone who applies. This means that there is likely to be a lot of people bidding when properties are advertised. Those people with the most urgent need and those that fall into the priority groups listed above receive the highest priority or those that don't.

Due to this shortage there are other housing options available which might help applicants move to a more suitable property for them. Here are some other housing options you may wish to consider:

4.1 Mutual exchanges for social tenants

If you are the tenant of a local authority or a housing association, mutual exchange or swapping properties with other tenants gives you the best chance of moving.

You can exchange your property with any other Local Authority or Housing Association tenant, anywhere in the country. The Council has developed a mutual exchange service for its tenants which runs through the Swap and Move website <https://www.swapandmove.co.uk/> . This service is free for Tamworth borough Council tenants to register on.

If you are looking to move for work or to be near to family and friends, Swap and Move is a national service which means that you will be able to see homes across of the whole of the UK, not just in Tamworth.

You can exchange with tenants of housing associations and other local authorities if everybody agrees. Normally an exchange will be agreed by the council providing:

- Both properties are the right size for the incoming family's needs
- Neither party is having legal action taken against them for breaking their tenancy

If you are not a Tamworth Council tenant please contact your landlord as they will have their own mutual exchange service.

4.2 Low Cost Home Ownership/ Help to Buy options

If you are interested in owning your own home then there are schemes which are backed by the government which may be able to assist. More information on help to buy options can be found on www.helptobuymidlands.co.uk/help-to-buy-options

➤ Shared Ownership

If you are interesting in registering for shared ownership properties you can apply to help to buy midlands. More information on what this entails and how to apply is found on <https://www.helptobuymidlands.co.uk/help-to-buy---shared-ownership>

Shared Ownership is great opportunity for those who want to get a foot on the property ladder but can't afford to buy a home outright on the open market. The scheme gives you the chance to buy a share in a brand new leasehold property (either a house or an apartment) on a part buy/part rent basis.

You buy a share of between 25% and 75% of a home from a registered provider, usually a housing association. You then pay a subsidised monthly rent to the housing association for the remaining share.

➤ Help to buy Equity Loan

The scheme helps you to buy a newly-built home with an equity loan of up to 20% of the full price of the property. Interest charges on the loan are not paid for the first 5 years and you own 100% of your own home from the start.

The Help to Buy Equity Loan scheme is open to both first time buyers and existing homeowners.

More information on how this scheme works, who is eligible and how to apply can be found on www.helptobuymidlands.co.uk/help-to-buy---equity-loan

4.3 Private renting

The Council is not able to help everyone who registers for re-housing as demand far exceeds the supply– considering moving to private rented accommodation allows you to decide where you move to, what type of property and when.

There are many Internet sites that are very good with up to date properties to rent, including:

Right Move	www.rightmove.co.uk
Zoopla	www.zoopla.co.uk
Gumtree	www.gumtree.com
Spare Room	www.spareroom.co.uk
Yell	www.yell.com
Loot	www.loot.com
Flat Mate Rooms	www.flatmaterooms.co.uk
Property Wide	www.propertywide.co.uk

Additionally you may be able to find a private rented accommodation through a letting agent which may save a lot of time. Things to consider with letting agents is that they may require to have the available finances for rent in advance, bond, deposit, a rent guarantor and are able to provide references. You will find letting agents listed in the local papers, Yellow Pages, or Thompson Local or on www.zoopla.co.uk/find-agents/letting-agents/tamworth/

If you have difficulties being able to obtain private rented accommodation, the Housing Solutions team may be able to assist you, please email housingsolutons@tamworth.gov.uk or call 01827 709709 for more information on the assistance that we may be able to provide.

4.4 Adaptations

If you would prefer not to move home, but are looking to do so because you or a member of your household are disabled or have a chronic illness that affects

your housing requirements, you may like to consider having your current home adapted to meet your needs.

There may be financial assistance that can be provided to help you do this dependant on your circumstances in the form of a disabled facilities grant. Further information on disabled facilities grant can be found on the website: <https://www.tamworth.gov.uk/grants-housing>

Self –referrals can be made to Staffordshire Cares for an occupation therapy assessment on their property and their needs, this assessment may then help indicate what additional support or adaptations may be required. Applicants may wish to contact Staffordshire Cares to arrange this by telephone 0300 111 8010 or their email address: staffordshirecares@staffordshire.gov.uk

Alternatively if you are council tenant speak to your tenancy sustainment officer or if you are a tenant of a housing association speak with your estate manager or housing officer.

If you are a homeowner or private tenant, please contact the Housing solutions team on housing-solutions@tamworth.gov.uk 01827 709709.

4.5 Help and Advice

The Housing solutions team can offer specialist housing advice to help you keep your current home, source alternative accommodation or provide advice on alternative housing options.

- Assistance may be provided by but not limited too:
- Mediation services
- Referrals to supported accommodation
- Advice on joining the housing register and applying for social rented accommodation
- Advice to those threatened with homelessness
- Assistance to obtain private rented accommodation
- Specialised housing options for victims of domestic abuse

A wealth of advice on housing options can be found on www.findingahometamworth.co.uk/content/HousingOptions/

4.6 Housing Associations

The Council has nomination rights to most of the housing associations with properties across the Borough. The Council will generally have 50% nomination rights to offers of accommodation made by Housing Associations within Tamworth.

This means that we advertise properties from time to time that belong to another landlord. You can place a bid on these and the landlord lets to the successful applicant.

The Registered providers which nominations may be made to include:

- Waterloo Housing Group www.waterloo.org.uk
- Derwent Living www.derwentliving.com
- Midland Heart www.midlandheart.org.uk
- Hanover www.hanover.org.uk
- Orbit www.orbithomes.org.uk
- Metropolitan www.metropolitan.org.uk/
- Walsall Housing group www.whg.uk.com
- Clarion housing www.myclarionhousing.com/
- Bromford Living www.bromford.co.uk/

The lettings criteria for other landlords may be different from that of Tamworth Borough Council's; please make sure you read and understand who is able to bid on each nomination property before you make your bid. The property advert would list information on the landlord of the property and also the lettings criteria specific to that landlord. Whilst Housing associations will retain their own lettings criteria they must give due regard to the allocations policy may making decisions.

Applicants may wish to contact registered providers directly to establish what their lettings policies are and if they allocate properties through any other means they may be able to access.

Housing Associations may also make direct allocations in accordance with 'Regulator of Social Housing tenancy standard (2012).

5 Aims of the Scheme

5.1 The aims of this scheme are to:

- Enable applicant choice and informed decision-making, which encourages applicants to pursue all housing options which are open to them including supported housing, affordable housing, and affordable home ownership.
- Ensure social housing is allocated and prioritised to those who are in most housing need and helps to prevent homelessness

- Comply with statutory obligations, government policy and guidance from government and allocations are equitable, fair and transparent.
- Contribute to the council's strategic priorities; living a quality life in Tamworth, growing strong together in Tamworth and delivering quality services in Tamworth.

How do we know whether this scheme is achieving our objectives?

- 5.2 We will carry out annual impact assessments of the scheme to check whether it is still achieving its aims.
- 5.3 The Council recognises that people need to understand how social housing is allocated to inform their decisions about housing. We will therefore communicate information about this scheme and how it is delivering through:
- Dedicated web and online information, including performance information
 - Regular articles in the Council's Landlord publication Open House
 - Regular dialogue with tenants' through tenants forums and involvement groups
 - Monitoring customer satisfaction
- 5.4 This allocations scheme has been framed in accordance with equality legislation. The Equality Impact Assessment will be reviewed and published annually and attached as an appendix to this document

6 Applying to join the housing register

Who Can Apply?

- 6.1 In order to be considered for an allocation and take part in the choice based lettings scheme, a person/household has to be registered on the Council's housing register.

Anyone can apply to join the Housing Register however not all applications will be accepted onto the housing register. The Council will consider each application on the basis of whether they:

- Are eligible to apply for housing
 - Qualify under the scheme rules
 - Have housing need within the reasonable preference categories
- 6.2 The eligibility and qualification criteria are set out in section 7 and 8 of this policy – people who intend to apply should check whether any of these apply to them and their household.

- 6.3 Multiple or duplicate applications for the same household are not allowed.

Who can and cannot be included on the application form

- 6.4 The Council will accept single and joint applications. Joint tenancies will only be granted between husbands/wives/civil partners/un-married couples or between siblings. Additional persons who can be included on a housing application must be members of the applicant's immediate family who normally live with the applicant. Any other person will only be included on an application if the Council is satisfied that it is reasonable for that person to live with the applicant. This will exclude lodgers or anyone subletting from the applicant. Anyone over 16 years included on an application as part of a household will also be included in the full assessment of the application including income, capital and assets.
- 6.5 Children of applicants are only allowed on the application of the parent who has residency of the child(ren) and to whom child benefit is paid. For the purposes of this scheme a child is defined as someone who is either under the age of 18 or who is still dependant on the applicant e.g. due to continuing education. Where a child benefit award letter can no longer be provided the Council will accept a bank statement addressed to the applicant clearly showing the correct amount being paid directly by child benefit as long as there is also proof of relationship for example, a child's long birth certificate to show the Parentage.

Applications from Councillors, board members, employees and their close relatives

- 6.6 Councillors or members of the board of a Registered Provider working with the Council as well as employees of Tamworth Borough Council and their close relatives (parents; children, spouse or former spouse) can apply to the housing register.
- 6.7 In order to ensure that the Council is seen to be treating all applicants fairly, any application for housing or re-housing from Members of the Council, employees of the Council, or associated persons must disclose their relationship at the point of application or if circumstances change after the initial application has been submitted.
- 6.8 All applications will be assessed in line with this policy, and shall be treated equitably and fairly. The Council will neither give an advantage too nor disadvantage an applicant falling into this category. Applications processed will be notified to management to sign off by a senior officer in the housing solutions team, Prior to any offer of accommodation to any application of this nature, it would require approval from the Executive Director of Communities, (and if required councils Monitoring officer), in line with the Disclosure Policy of the Council, attached at Appendix.

Applicants under 18 years Old

- 6.9 Applicants aged 16 or 17 will not normally be able to join the housing register, the only exceptions to this are as follows;
- Where a statutory homelessness duty is owed
 - For care leavers 6 months before their 18th Birthday to allow the council to work with them effectively to help source suitable alternative accommodation to try and prevent them from becoming Homeless.
 - Where they have been accepted into supported accommodation provided by Tamworth Borough council and there is a requirement for the application to be processed to enable the occupant to pay rent and other charges.
- 6.10 All efforts, including family mediation, referrals to supported accommodation will be made to prevent homelessness and assist young people to achieve an appropriate housing solution to meet their need.
- 6.11 Where an applicant under 18 is unable to join the housing register but is threatened with homelessness full advice and assistance will be offered to the young person for them to return home where is safely to do so or source alternate accommodation.
- 6.12 The council has signed a joint protocol with partners across Staffordshire local authorities and the county council for homeless 16/17 year olds and with families first and as part of this protocol there is an agreement in place for joint assessments to be completed with colleagues from Staffordshire County Council. Therefore the council will make relevant referrals to enable this.
- 6.13 As a 16/17 year old cannot hold a tenancy in law, there will also be a requirement for a 16/17 year old to have an approved person to act as their trustee in relation to the tenancy agreement. This would normally be a family member or third party and is at the discretion of the Housing Solutions Service and the discretion of any provider.

7 Eligibility

- 7.1 The statutory eligibility criteria for social housing are set out in section 160ZA (1-5) of the Housing Act 1996, as amended by the Localism Act 2011.
- 7.2 An applicant may be ineligible for an allocation of accommodation under section 160ZA (2) or (4). Authorities are advised to consider applicants' eligibility at the time of the initial application and again when considering making an allocation to them, particularly where a substantial amount of time has elapsed since the original application.

Persons from abroad who are not eligible to join the register

- 7.3 The following persons are not eligible to join the register:
- People who are “subject to immigration control” (unless they fall within a class prescribed by regulations made by the Secretary of State (section 160ZA(2))
 - People who are not subject to immigration control, but are nevertheless prescribed by regulation as being “persons from abroad” (this may include British citizens who are not habitually resident in the UK)
 - Any other person as prescribed by the Secretary of State.
- 7.4 If a person who has been admitted to the register ceases to be eligible under the above criteria, he or she will be removed from the register with immediate effect.

8 Qualification

- 8.1 The Council will only allocate to a person who is a qualifying person; The Council will only allocate housing accommodation to a person that does not come within any part of section 7 of this policy.

Qualified Persons

- 8.2 Only an applicant with a local connection is considered a qualifying person. Local connection is defined below. There are some exemptions to this which follow the local connection criteria.

Local Connection

- 8.3 Applicants will satisfy and provide evidence; they have a local connection if the applicants or a permanent member of the household, meet at least one of the following criteria to be defined as having a local connection to Tamworth.

A) Residence

Have been resident within the borough of Tamworth consecutively for the last 2 years

For the purposes of residency we will only usually consider settled forms of accommodation.

B) Employment

Have permanent employment or self-employment within Tamworth that has been on-going for more than 12 months (although not necessarily with same employer).

This employment must be more than 16 hours per week. Where working hours fluctuate i.e. casual or zero hour's contract, an average will be taken over 12 months.

C) Close family with an additional health/welfare need

Local connection can be established through family where they have a close relative* in the borough of Tamworth and where that close relative has been living in the borough consecutively for the last 5 years and where the relative has health or care needs which require the support of the household who is applying to move to be in the area.

Equally a family member can get local connection where they need to move to Tamworth to be closer to family who live in Tamworth which they require care/support from.

The applicants would need to provide medical evidence to support this along with evidence to show frequent contact or dependency.

*Close relative for this purpose is defined as parents, children, siblings, grandparents or grandchildren including step relatives.

8.4 Local connection exemptions;

The only exemptions to this are as follows:

- They are homeless and the council has accepted a full duty to them under the Housing Act 1996 (as amended) S193(2)
- Applicants owed a S189B Relief duty for as long as that duty is owed to the applicant
- Applicants owed a S195 Prevention duty for as long as that duty is owed to the applicant
- They satisfy the right to move criteria stipulated in section 8.5.
- They satisfy the Allocation of Housing (Qualification Criteria for Armed Forces) (England) Regulations 2012
- There are significant and special circumstances with overriding reasons requiring the move into Tamworth for reasons of safety; i.e. when an applicant is fleeing domestic abuse from another area, is on a witness protection programme or where by not moving to Tamworth would be detrimental to their wellbeing or cause significant hardship. This would be assessed on a case by case basis and would require approval from a Senior Officer within the Housing Solutions Service.

An applicant will retain their local connection where they have left the area due to:

- Being in Hospital
- Having to move out the area for care
- Being accommodated in supported accommodation outside the district
- If placed in temporary accommodation outside of the area by Tamworth Borough council

Right to Move

- 8.5 The Right to Move qualification regulations 2015⁵ states that Local Connection criteria must not be applied to existing social tenants who seek to move from another local authority district in England and who have a need to move for work related reasons to avoid hardship.
- 8.6 To qualify the applicant must be social housing tenant living in England
- 8.7 Applicants wishing to join the Housing Register in Tamworth due to work related reasons to avoid hardship are able to do so provided that they can evidence the requirements.
- 8.8 Applications accepted under 'Right to Move' will be awarded Band 1 priority.
- 8.9 The council must be satisfied that the tenant needs, rather than wishes to move for work related reasons and if they were unable to do so would result in hardship.
- 8.10 In determining whether the tenant needs to move the council will consider the following factors;
- The distance and/or time taken to travel between work and home
 - The availability and affordability of transport, taking into account level of earnings
 - The nature of the work and whether similar opportunities are available closer to home
 - Other personal factors, such as medical conditions and child care, which would be affected if the tenant could not move
 - The length of the work contract
 - Whether failure to move would result in the loss of an opportunity to improve their employment circumstances or prospects.

⁵ Right to Move- Statutory guidance on social housing allocations for local housing authorities in England 2015
DCLG

- 8.11 The qualification regulations only apply if work is not short-term or marginal in nature, nor ancillary to work in another district. Voluntary work is also excluded.
- 8.12 Any application awarded right to move will be notified to the allocations panel

Armed Forces

- 8.13 The Allocation of Housing (Qualification Criteria for Armed Forces) (England) Regulations 2012 stipulate that a person would satisfy local connection if a person;
- A) Is serving in the regular forces or who has served in the regular forces within five years of the date of their application for an allocation of housing under Part 6 of the 1996 Act;
 - B) Has recently ceased, or will cease to be entitled, to reside in accommodation provided by the Ministry of Defence following the death of that person's spouse or civil partner where—
 - i. the spouse or civil partner has served in the regular forces; and
 - ii. their death was attributable (wholly or partly) to that service; or
 - C) Is serving or has served in the reserve forces and who is suffering from a serious injury, illness or disability which is attributable (wholly or partly) to that service.

Disqualified persons

- 8.14 There are some circumstances where people are disqualified from joining the housing register as the Council will only allocate social housing to those people that it has defined as "qualifying persons" under Section 160ZA(6)(a) of the Act. These criteria are set out in the rest of this section.
- 8.15 Disqualified applicants can ask for a review of the decision – see section 11 of this policy.
- 8.16 Where applicants are disqualified from the housing register they will still be able to access advice and assistance on other housing options, such as privately renting, mutually exchanging and/or access to shared ownership from the Housing Solutions team of the Council.

- 8.17 Where an applicant has been accepted onto the housing register but subsequently becomes disqualified for an allocation (for example, for reasons of behaviour) or is discovered to have been disqualified when the application was made, the applicant will be notified in writing that the Council intends to cancel their application and of the reasons. The applicant has a right to ask for review of this decision (see section 11). If the Council has not received a request for a review within 28 days of the date of the notification letter, the application will be cancelled.

Disqualification criteria

A. *Unacceptable behaviour or former tenant debt*

Where an applicant or a member of their household who would be rehoused with them has been guilty of 'unacceptable behaviour' in the conduct of their current or a previous tenancy, they will not be qualified to join the register. An exception will be made where someone is homeless and the council has accepted a full section 193 housing duty. However, the Council would normally seek to discharge its duty towards them by assisting them into a qualifying private tenancy.

Unacceptable behaviour is defined as behaviour that would, if an applicant or member of their household was a secure tenant, entitle a landlord to possession under any of the Grounds 1 to 7 under Schedule 2 of the Housing Act 1985.

Unacceptable behaviour can include, but is not limited to:

- i. Owing rent or other housing-related debt from a current or former tenancy with a registered housing provider or a private landlord
- ii. Conviction for using premises for illegal or immoral purpose
- iii. Causing nuisance and annoyance to neighbours or visitors
- iv. Convicted of criminal offences in or near the home and still posing a threat to neighbours or the community
- v. Convicted of a criminal or civil offence relating to abusive behaviour towards a Tamworth Borough Council employee, partner or contractor
- vi. Convicted of housing or welfare benefits-related fraud
- vii. Being violent towards a partner or members of the family or anyone in the neighbourhood and been convicted of an offence in relation to this.
- viii. Obtaining a tenancy by deception, for example by giving untrue information

In determining whether an applicant is disqualified due to unacceptable behaviour, the Council will consider:

- Has the applicant or a member of the applicant's household been guilty of unacceptable behaviour?
- Was the unacceptable behaviour serious enough to have entitled a landlord to obtain an order for possession, whether or not such an order was sought?
- At the time of the application, is the applicant still unsuitable to be a tenant by reason of that behaviour, or the behaviour of a member of his/her household?

Unacceptable behaviour will initially result in disqualification for 12 months, which may be extended. To be admitted to the register the disqualification must have been rectified, for example if an applicant pays off or significantly reduces their current or former rent arrears. If an applicant's behaviour has been such that they have received a criminal conviction, then a fixed term disqualification may apply until any conviction has been spent.

An applicant can re-apply to the Housing Register at any time for their situation to be reviewed if they feel they are entitled to now qualify.

The council will not disqualify someone from the housing register once the conviction has been spent.

Where the disqualification is as a result of rent arrears and the applicant has demonstrated that they have a payment plan in place, are making regular payments for a period of 3 months, and of a reasonable amount then the council may allow them to join the register with a reduced preference.

All disqualifications will be decided on by the council's Allocations Panel and subject to regular review. All applicants would be notified of the decision in writing.

To be disqualified due to rent arrears this would include all housing related debt and can be considered where applicants owe 8 weeks rebated rent or equivalent.

B. Property Ownership

Under s160ZA Housing Act 1996 the council is only allowed to allocate to an eligible and qualifying person. The Code of Guidance recommends that local authorities should avoid allocating social housing to people who already own their own homes. If the council were to allocate social housing this should only be in exceptional circumstances.

Applicants who own their own homes will be provided advice and guidance on other housing options.

Applicants will not qualify to join (or remain on the register) if they own a property either in the UK or abroad (either freehold, leasehold, under mortgage or shared ownership), unless they can demonstrate that:-

- They are in housing need and/or it is unreasonable for them to continue to occupy the accommodation

And

- They cannot liquidate or sell the property which would enable the owner occupier to purchase or rent an alternative property suitable to meet their needs.

Examples may include:

- They are homeless or likely to become homeless within 3 months of their request due to the repossession on their current home and if they receive any equity this will not be enough to secure accommodation
- A joint owner who has left the property, or is leaving the property in order to escape domestic violence and the violent partner is the other joint owner and the property cannot be sold.
- There has been a breakdown in a relationship between joint owners and one has requested housing, the property has been sold, and they have insufficient resources secure alternative accommodation.
- A homeowner who has been accepted as statutory homeless.
- Where the home has been served with a closure order or prohibition notice due to serious disrepair served by Tamworth Borough Council.

All alternative housing options must also have been exhausted before homeowners can join the housing register. In case of needing to move due to medical reasons this would also include disabled facility grant or adaptations.

Applicants who own property and who rent that property out will be expected to reclaim the property under lawful process so they can reoccupy. This will apply to properties that are owned outright, gifted to an applicant or still under a mortgage loan process and to properties where an applicant's family may currently be residing.

Those who are disqualified from the register because they are homeowners can still access appropriate advice regarding their housing options (as per Section 3 above) and assistance in resolving their housing needs.

Where applicants are able to register any offer of accommodation would require proof that the property has been sold or proof of agreed sale. Only in exceptional circumstances and where there are significant material overriding reasons would a property be allocated where they still retain ownership of a property and this would require approval from a Director.

C. Financial resources

The council is permitted to take into account the financial resources available to an applicant to meet their own housing need. If a household income exceeds the following they will not qualify to join the register.

- i. Single person households with a household net income of £30,000 or more per year
- ii. Family households (this includes couples) with a household net income of £60,000 or more per year.

A family household is defined as a household that that is not a single person and includes couples. A household income will take into account the income of all household members, including non-dependents. Income will also include all sources of income for the household, including (but not limited to) benefits, grants and income from employment.

Disability Living Allowance or personal independence payments or any other replacement benefit for the above will not be included in the purposes of this calculation. Payments awarded as a result of injury sustained whilst serving in the armed forces shall also not be included in any income calculation.

These income ranges will be reviewed annually in line with Central Government Directive and legislation.

D. Savings/Assets/Capital

Applicants with capital/savings/assets/investments in excess of £16,000 will not qualify to join the housing register as they will be regarded as having sufficient resource to source alternative suitable accommodation. This amount is in line with the DWP criteria for eligibility for Housing Benefit.

Where these savings are derived from a payment due to injury or disability for members of the armed forces who have recently discharged, unless there is an award towards resolving their housing costs they will not be included in this calculation.

E. People with no housing need

Applicants will not qualify for and be (or remain) registered on the council's housing register if the Council is satisfied, that following an assessment, they are suitably and adequately housed, that is, they have no recognised housing need under the Council's Housing Allocation Scheme or fall into reasonable preference category.

The demand for social housing in the area exceeds supply and therefore social housing has to be awarded to those who are in the most housing need. The council wants to manage demand and manage applicant's expectations accordingly.

Where such applicants are disqualified from joining the housing register they can still discuss other housing options available to them with the Housing Solutions Service. This can include the private rented sector and/or home ownership.

For current social housing tenants who are adequately housed but still wish to move they may still be eligible for a mutual exchange.

F. Refused 3 tenancy offers within 12 months

Where applicants have refused 3 suitable tenancy offers within a 12month period they will be disqualified for a period 12 months.

The 12months will commence on the date the application was cancelled.

The only exception to this will be where applicants have had a significant change in their circumstances following this and this will be at the discretion of the housing solutions manager.

Assessing Reasonable Preference without fulfilling the Qualification Criteria

- 8.18 The Council's allocations Scheme must give Reasonable Preference to applicants who fall into the categories as set out under the Legal Context section at the beginning of this document. The Council cannot automatically reject an applicant who does not qualify under Local Connection criteria but who may still fall into a Reasonable Preference group for housing need.
- 8.19 Applications will be considered using the Reasonable Preference criteria set out in this Scheme. Successful applications where there is a Reasonable Preference, but where there is no Local Connection to Tamworth will be assessed at a reduced priority and be demoted to the band lower what they would usually be awarded should they have a local connection.

8.20 If applicants fall into a reasonable preference category they would only usually be disqualified in exceptional circumstances and where the applicant has committed serious anti-social behaviour or has high rent arrears⁶.

How to apply

8.21 An application to join the housing register must be made using a Council housing application form. These can be downloaded online at www.tamworth.gov.uk or alternatively are available from Marmion House, Lichfield Street, Tamworth, Staffordshire B79 7BZ. If a form cannot be downloaded or collected from the council offices then one can be requested to be posted out.

8.22 Applications are subject to verification checks and will be assessed:

- At the point of initial application
- Following any change of circumstance notified to the Council by the applicant
- Following routine validation audits
- Following an annual review of the application
- At the point of an offer of accommodation
- At the point of letting.

8.23 Applications must be accompanied by any supporting information and evidence as well as relevant proof of identification. The council will return all forms where the documentation has not been provided; applicants will usually be contacted and given the opportunity to bring the information in first, before it is returned.

8.24 The Council will contact any current and/or former landlords to make the following checks. This will apply to private or social landlords:

- Are eligible to apply for housing
- Qualify under the scheme rules
- Have housing need within the reasonable preference categories

8.25 Where applicants are privately renting and any reference request to current landlord may result in them being served a notice to leave, applicants will be required to provide proof of their rent account or proof of rent payments for the previous 6 months, or since the start of the tenancy commenced within the 6 months. A tenancy reference will be mandatory at the time an applicant is offered a property. Where applicants will be unable to do so any offer may be withdrawn.

⁶ Allocation of accommodation: guidance for local housing authorities in England- 2012 DCLG

- 8.26** Advice and assistance regarding any aspect of the housing application process is available free of charge from the Housing Solutions team, Tamworth Borough Council, Marmion House, Lichfield Street, Tamworth, Staffordshire, B79 7BZ, or by phoning 01827 709709 or by emailing housingsolutions@tamworth.gov.uk.

9 Reduced Preference

9.1 Reasonable preference without fulfilling local connection

Where applicants fall under a reasonable preference category but would not ordinarily meet the local connection requirements their band would be reduced to 1 band lower than they would be awarded if they had local connection.

9.2 Rent arrears

Where applicants owe housing debts to their current or a former landlord of: £250.00 or over, or 4 weeks rebated rent⁷ their band would be reduced by one band below that indicated by their housing need.

So, for example, applicants whose housing need would place them into Band 2 would be placed into Band 3.

Where the applicant owes arrears of rent that are lower than either of these two amounts, then their application will not be demoted but they will be expected to clear the arrears before being signed up for any new tenancy.

The Council reserves the right not to apply reduced preference for rent arrears where these are directly attributable to bedroom subsidy sanctions, and there is a sound business case to do so. The Councils Allocations Panel must approve this type of over-ride.

The Council will not apply reduce preference when an applicant has rent arrears but has been accepted as homeless and determined not to have made themselves intentionally homeless.

For transfer applicants the Council will expect a clear rent account in order to move and will be required to have an approved property inspection.

9.3 Deliberate Worsening of Circumstances

Where applicants have been deemed to have deliberately worsened their circumstances their banding will be reduced to one band lower than they

⁷ 'Rebated rent' means the net amount that the tenant is expected to pay over and above any housing benefit or housing allowance.

would usually have been awarded. Examples of this could include but are not limited to:

- i. Applicants, who give up a home that they owned, rented, shared, or had rights to but chose to leave or dispose of within the last 5 years of an application being made. This includes 'gifting' a home to friends and/or relatives, both within and outside the UK, where they could have reasonably been expected to reside, or to sell, using the proceeds to resolve housing difficulties.
 - ii. Applicants who have given up a social housing tenancy within the past five years, not due to violence / threats of violence / harassment / anti-social behaviour / domestic abuse / hate crime, or any other similar danger to life and welfare. If any of the previous criteria is claimed, this will need to be clearly evidenced by professionals engaged with the applicant. Evidence from the previous social landlord will be taken into account.
 - iii. Applicants who deliberately overcrowd their home other than where it is to prevent another's homelessness.
 - iv. Applicants who deliberately move to a home which was clearly unaffordable at the point they moved into it.
 - v. Applicants who deliberately move into accommodation which will be overcrowded other than to prevent their homelessness.
 - vi. Applicants who left suitable accommodation without making suitable provision
 - vii. Applicants who deliberately deprive themselves of capital, equity, income as a result of sale of property in order to qualify or gain priority for housing. Deliberate deprivation includes gifted money to relatives and friends and payments to third parties that do not form part of authorised loans that are regulated by the financial services authority.
- 9.4 Where an applicant is applying as both on the housing register and as a homeless applicant; has banding for other reasons other than in relation to the homelessness but is subsequently deemed to be intentional or has worsened their circumstance a reduce preference to band lower would apply. For example an applicant may have been awarded medical banding but the applicant is deemed to be intentionally homeless whilst they would still be awarded the medical banding a reduced preference would then apply and would be placed in one band lower.

Bedroom Requirements

10.2 The Council will make best use of its stock. Accommodation will normally be offered according to applicants' needs and the criteria below:

One bedroom is allowed for:

- Every adult couple
- Any other person aged 16 or over
- Two children of the same sex under the age of 16
- Two children under the age of 10 regardless of their sex
- Any other child
- A carer (who is not part of your household) if you or your partner need overnight care
- Any other person who can't share a bedroom because of a severe disability or medical condition or where there is a need for medical equipment for example dialysis equipment (see section 8.5)

10.3 A household containing a pregnant woman will be eligible for a bedroom for the unborn child at 20 weeks gestation if there is no other bedroom that the child would be expected to share. Since this would be deemed a 'spare room' prior to the child's birth, the financial implications of accepting the offer of a property with a room for the unborn child will be explained to the applicant prior to their acceptance of the offer. They will be entitled to refuse such an offer.

10.4 These household criteria largely reflect the changes made by Government to Welfare Benefits. This approach seeks to ensure that applicants are not allocated accommodation that has a 'spare' bedroom for benefit purposes and would be unaffordable and unsustainable as a result.

Carers

10.5 Applicants claiming bedrooms for carers will need to provide evidence sufficient to satisfy the Council of the caring relationship, which must include supporting evidence from Adult Social Care evidencing the need for overnight care. Even where the Council recognises a need for an overnight carer for the purposes of a housing need, the applicant may still need to satisfy other authorities of this, such as for Housing Benefit / Universal Credit payments.

People with disabilities who cannot share

10.6 Applicants will need to provide evidence sufficient to satisfy the Council of the need for separate bedrooms, which must include supporting evidence from senior medical professionals. Awarding an additional bedroom will be assessed on a case by case basis and will involve considering not only the nature and severity of the disability but also the nature and frequency of care required during the night, and the extent and regularity of the disturbance to the sleep of the other person who would normally be required to share the bedroom. Even where the Council recognises a need for an additional

bedroom for the purposes of a housing need, the applicant may still need to satisfy other authorities of this, such as for Housing Benefit / Universal Credit payments.

Fostering

- 10.7 Approved foster carers and adopters who need to move to a larger home in order to accommodate a looked after child or a child who was previously looked after by a local authority can apply to the Council to bid for homes that provide an additional bed space. This provision also includes special guardians, holders of a residence order and family and friends carers who are not foster carers but who plan to take on the care of a child. Approval for a 'size over-ride' will be considered by the Allocations Panel given and subject to supporting information.

Under-occupying homes

- 10.8 The Council reserves the right to under-occupy homes if this is the best use of housing stock determined by demand, adaptation or through individual personal need and this type of over-ride will be approved by the Head of Strategic Housing and subject to an affordability check.
- 10.9 Where under-occupation of a home would result in a reduction in Housing Benefit because there is a spare room, the implications will be discussed with the applicant prior to acceptance of an offer, to ensure that the applicant can afford to pay the rent and the tenancy will be sustainable.

Over-occupying homes

- 10.10 Where a household requires a larger property, and these house types do not become available frequently, they may apply to the Council to be allowed to bid for properties that have one bedroom less than required under these eligibility criteria, provided:
- They would not be statutorily overcrowded, and
 - There is assurance that the sleeping arrangements will be satisfactory Approval for a 'size over-ride' will be approved by the Allocations Panel.
- 10.11 Where the bedroom needs are linked to medical need then this would not apply unless the applicant agrees to withdraw the medical information and the medical information and banding on this basis is discounted. Where banding due to overcrowding has also been applied but applicants are now moving like for like the banding due to overcrowding would also be discounted.

Property Eligibility

Sheltered Housing

- 10.12 The Council has a number of sheltered schemes across the town and allocations are in accordance with this Scheme. The applicant (or at least one of a couple) must be 55 years or above.
- 10.13 Prospective tenants will be required to have a needs and risk assessment before an offer is made to ensure that the property and support will meet their needs.
- 10.14 This assessment will usually take place at the scheme you prefer. As part of the interview, the independent living manager will explain the costs of living in the scheme in terms of rent and service charges related to the provision of the scheme manager, the community alarm and scheme communal areas. This promotes financial inclusion and enables applicants to make an informed choice about whether to accept an offer of housing.
- 10.15 Property advertisements include information on who can bid, and the charges payable.

Properties where bidding is limited to certain households or bands

- 10.16 Some other properties are designed and intended for households with specific characteristics. These include properties that are usually allocated to older people, or to disabled people.
- 10.17 Where properties are so designated, the property advertisement will state which types or bands of applicants are eligible to bid and how their relative priority will be determined.
- 10.18 The property advertisement will also state where a Local Lettings Plan applies, and who is entitled to bid for the property.
- 10.19 Some properties, e.g., some that are in high demand, will only be open to bids from applicants in higher bandings, as determined by the Annual Lettings Plan. This will also be stated in the property advertisement.

11 Banding

11.7 Applicant(s) meeting two or more of the categories described in Bands 1 or 2 will be promoted to the band above. This is to recognise their exceptional and urgent housing need.

11.8 Relative priority amongst bidders for any particular home is determined:

- Firstly by the Band, and
- Secondly by the date that the application joined the Band, so that those that have been in any Band for longer periods of time are given preference over those that joined the Band at a later date

11.9 Where an applicant's circumstances change and an alternative banding is awarded, the date the applicant is accepted into the Band is used to prioritise their application compared to bidders in the same Band.

Banding Priorities Explained

Medical grounds for rehousing

11.10 The Council has three levels of medical priority that determine which band an application will be placed in:

Band 1 = High Medical Award

Band 2 = Medium Medical Award

Band 3 = Low Medical Award

11.11 The assessment process requires the applicant to provide evidence from relevant care or medical professionals that clearly links the health concern to the current accommodation

11.11.1 High medical need

Where current housing conditions are having a major adverse effect on the medical condition of either the applicant or a member of their household, the application will be placed into Band 1. This will require evidence from a senior health practitioner or a consultant and be a tailored assessment clearly linking the medical condition with the current accommodation and making a recommendation as to which type of property would alleviate the condition.

Examples might include:

- A wheelchair user occupies a home where facilities are upstairs and therefore inaccessible and flatted accommodation or a bungalow is recommended
- An applicant is due to be discharged from hospital and cannot be discharged into their current accommodation because its design is totally unsuitable.
- A referral has been received from a consultant or other similar health care professional stating that their current housing is having a severe effect on an applicant's (or member of their household's) mental well being
- An applicant or a member of their household who needs to move to suitable adapted accommodation because of their serious injury, medical condition or disability. This would be assessed by an Occupational Therapist. Consideration will be given to applicants' eligibility for Disabled Facility Adaptations or a Disabled Facilities Grant.

An award will be subject to approval by a senior officer in the housing solutions team.

11.11.2 Medium medical need

Applicants who have been assessed as requiring suitable alternative accommodation because their medical condition and/ or disability is having a detrimental effect on their ability to live independently at home would be placed into Band 2. This would require evidence from medical practitioners who must also recommend suitable property types or characteristics based on their knowledge of the applicant's medical needs.

Examples might include:

- An applicant who requires a different type of accommodation or a different layout of accommodation including but not limited to someone who needs level access accommodation.

11.11.3 Low medical need

Applicants whose move to suitable alternative accommodation would improve their health will be placed in Band 3. This is typically evidenced by a letter from

the GP or community health services and must also recommend suitable property types or characteristics based on their knowledge of the applicant's medical needs.

Examples might include:

Someone with a degenerative condition whose needs are likely to occur in the future, typically within 12 months' time.

Social, welfare and hardship grounds

11.12 The Council has three levels of social, welfare and hardship priority that determine which band an application will be placed in:

- Band 1 – High Social, Welfare and Hardship Grounds
- Band 2 – Medium Social, Welfare and Hardship Grounds
- Band 3 – Low Social, Welfare and Hardship Grounds

11.13 The Council seeks to sustain tenancies and will engage in multi-agency discussions to determine the best way to resolve issues. Social, hardship and welfare is an umbrella term that will include any discretionary issues other than medical.

11.13.1 High Social, Welfare and Hardship need

Those applicants needing to move urgently on social welfare grounds will be placed in Band 1. Priority of this level will only be awarded if the current situation is so significant that it will have a serious impact on the wellbeing of the applicant/s or a member of their household.

This will require third party corroboration from a statutory agency (e.g. safeguarding, police, MARAC) and/or senior professional who are involved in the case.

Examples might include:

- Child/ren separated from parents (where they previously lived together) because the child cannot currently occupy the home of the parent, which prevents them living as a family unit.
- Applicants with a high degree of vulnerability whose housing situation is having a detrimental effect on their life
- Applicants who need to move to recover from the effects of violence, emotional or sexual abuse
- People who need to move because of racial or homophobic abuse
- An applicant needing to move to be closer to a relative where either is very vulnerable, there is no alternative solution and where not to do so would cause significant hardship or either or both
- An applicant who is under witness protection, through the national witness mobility service and requires a move to another area.

- Applicants who have been accepted as having a Right to Move (in accordance with section 6.
- An applicant needing to move to take up employment where by not doing so would cause financial hardship.
- Cases in relation to a child in Need where they meet criteria stipulated in section below.

The Borough Council will carry out a home visit if this is deemed necessary in order to verify the details provided by the applicant.

Any award will be subject to approval by a senior officer within the housing solutions team.

Child / Children in Need in an existing household

A child in need is defined under the Children Act 1989 as:

‘A child who is unlikely to maintain or to have the opportunity of achieving or maintaining a reasonable standard of health or development without the provision of services by the Local Authority; the child’s health or development is likely to be significantly impaired for further impaired without the provision of services...’

A high social need banding will be applied to the application for rehousing, placing the application into band 1, where:

- The child has been assessed by children’s social services via a statutory assessment procedure, and
- Social services have clearly indicated the aspect(s) of the child’s development hindered by the current housing circumstances, and
- The Council’s safeguarding and designated officers within housing are satisfied that the evidence supports an urgent need to move

For the purposes of this assessment the household to be considered is that which has care and control of the child for the majority of the time.

11.13.2 Medium Social, Welfare and Hardship need

Applicants who have a medium housing need on welfare grounds will be placed in Band 2; this would require third party supporting evidence from (local support team, social workers etc.).

Examples might include:

- Applicants who need to move as part of an agreed support plan to re-integrate them into the community.
- Lower level and regular police involvement

11.13.3 Low Social, Welfare and Hardship Grounds

Applicants who have a low housing need on welfare grounds will be placed in Band 3. This would require third party evidence from support workers or equivalent.

Examples might include:

- Applicants with limited access arrangement to their children for example living in a property where children cannot visit.
- Applicants who are privately renting and who are struggling financially. This will be assessed on case by case basis and subject and evidence is provided for example- income/expenditure check through the CAB. This will only be awarded where is not due to lifestyle choice. The council reserves right to refer to their debt advice provider for confirmation of this.

Overcrowding

- 11.14 For households that are living in overcrowded circumstance, banding is awarded on a tiered approach, banding is awarded as follows;
- Band 1 is awarded to applicants who are deemed by the Private sector housing team to be statutorily overcrowded, or who are overcrowded by two or more bedrooms according to this Policy
 - Band 2 is awarded to applicants who are overcrowded by one bedroom.
- 11.15 Provided the applicant is not considered to be statutory overcrowded, overcrowding banding awarded by the policy would only be awarded where applicants are considered to be in settled accommodation.
- 11.16 Consideration will be given to the reasons the applicant became overcrowded, whether an applicant is able to afford a larger home, either in the private rented sector, or through a shared ownership scheme, and whether the space within the dwelling is being used effectively.
- 11.17 Evidence will be required to support the overcrowding.
- 11.18 Overcrowding assessments will only take into account people who live permanently within the home.
- 11.19 Home visits may be undertaken by the council to verify the information provided.
- 11.20 The council retains the right to remove banding on this basis should the overcrowding not be evidenced, or circumstances alter and lead to the overcrowding situation being resolved.

Move on from Supported Housing

- 11.21 The Council works in partnership with a number of agencies that support move-on arrangements from hostels, supporting people funded and/or other specialist accommodation.
- 11.22 Applicants moving on from short term accommodation (up to 2 years duration) who are capable of independent living (with or without care and support plans) will be placed into Band 1, provided there is evidence from the support provider to confirm that:
- Their rehousing requirements constitute a high social and/or medical need and an appropriate move on package is in place
- Or
- Rehousing will free up a place for a vulnerable person(s) in supported housing
- 11.23 If applicants fail to bid, then the Council will make bids on their behalf. If applicants are not satisfied with any resulting offer of accommodation then they can request a review of the suitability of the offer.
- 11.24 Applicants in this category will receive one offer of suitable housing only. If applicants refuse a move on offer accommodation there would be reduced preference applied.
- 11.25 These terms are in accordance with service level agreements or other specific move-on arrangements agreed with providers.
- 11.26 In accordance with the Move on protocol adopted by the Council a ready to move on would need to be completed by the accommodation provider before banding will be awarded.
- 11.27 Where there are any residual support needs to the supported accommodation provider must continue to supply low-level support for a period of 6 weeks following them being housed.

Under- Occupation banding

- 11.28 For households that are under occupying social housing, banding is awarded on a tiered approach, banding is awarded as follows;
- Band 1 is awarded to applicants who are deemed to be under occupying by two or more bedrooms according to the bedroom standard in this Policy
 - Band 2 is awarded to applicants who are deemed to be under occupying by one bedroom according to the bedroom standard in this policy
- 11.29 Banding for under- occupation will only apply to those who are occupying and have a social housing tenancy.

- 11.30 Evidence may be required to support this in terms of providing evidence they have a social housing tenancy and evidence they are under occupying, this could be provided by their social landlord.
- 11.31 Where the council is unable to verify these circumstance the council retain the right to remove banding on this basis.

Incentive to Move scheme

- 11.32 In making best use of stock the Council uses it's Incentive to Move scheme to encourage people to move out of under-occupied properties. The policy enables a payment to be made towards moves from:
- Houses to flats or bungalows
 - Adapted properties to non-adapted properties (where a suitable match has been made for the adapted property)
 - Chain lets – effectively giving up 2 or 3 properties to move into 1 larger property that is assessed as solving multiple needs
- 11.33 Where someone has moved and received an incentive payment, they should expect to stay in that property for 3 years before making an application to transfer home again.
- 11.34 The payment will be recovered from tenants that move within 3 years unless there is an exceptional circumstance such as:
- Moving into residential care or long-term hospice
 - Death
 - Moving in with relatives
- 11.35 The terms of the Incentive to Move scheme are subject to review and set out in the Guide.
- 11.36 Where there are arrears that applicants would otherwise be subject to reduced preference in order to not negate a move, the council reserves the right to not apply reduced preference in this circumstance as long as any payment awarded for incentive to move would clear the arrears, where arrears are in excess of the incentive to move payment reduced preference would still apply.
- 11.37 Where there is banding for under occupancy and incentive to move applicants will not be awarded cumulative preference for Band 1+ to avoid duplicating banding for the same circumstance, cumulative may still apply for other banding such as medical grounds.

Negotiated tenancy surrender

11.38 An applicant who is in this category would be placed into Band 1 if they offer to end their tenancy upon the following conditions being met;

- They were a tenant of Tamworth Borough Council when taken into custody
- Any offence committed did not mean they had breached their tenancy agreement, or the tenant has to go into a mental health or other special facility for an extended period; and
- They have or are likely to be sent to prison for more than 13 weeks or institution; and
- They have conducted their tenancy in a reasonable way; and
- Their rent is up to date; and
- They have not been served with a 'Notice Requiring Possession'.

11.39 If the above criterion is met then written confirmation of the surrender will be provided.

11.40 An applicant, who has been granted negotiated surrender priority, may be able to bid for properties within 28 days of their confirmed release date. However, an applicant must be in a position to sign tenancy agreements and move into the property once it is ready or the offer of accommodation may be withdrawn.

11.41 An applicant would only be awarded this priority where they would not be disqualified from the housing register.

11.42 Banding under this priority would only be awarded where the agreement was made and confirmation had been provided.

Unsanitary or otherwise unsatisfactory housing

11.43 The law states that a council is required to give reasonable preference to those living in unsanitary or otherwise unsatisfactory housing.

11.44 We will award Band 1 to applicants living in unsanitary or unsatisfactory housing where there is at least one verified category 1 hazard that cannot be resolved by the landlord within six months and where the condition of the accommodation has at least an on-going moderate effect on the applicant's health or a member of their household.

11.45 We will award Band 1 to those issued a prohibition order covering a main part of the dwelling, or has been included within a clearance area or has a lack of facilities. This would include situations where the condition of the property occupied is seriously detrimental to the health of any of the household and the defects to the property cannot be easily remedied following an assessment by the private sector housing team within 6months

11.46 The council in this regard will also consider circumstances where applicants are without access at all to any of the following facilities;

- Bathroom or kitchen

- An inside WC
- Hot or cold water supplies
- Adequate heating

11.47 In all cases of disrepair this would need to be reported to if a social housing tenant their landlord/ repairs service and the case of private dwellings the private sector housing team.

11.48 Where conditions have been deemed to have been caused as a result of an applicant's behaviour or lifestyle banding would not be awarded. This would include where an applicants has refused to allow for the issues to be remedied.

Decanting social housing tenants for major repairs

11.49 Where the applicant lives in a Tamworth Borough Council property, the Council will seek to deal with any repairs before it considers moving them. However, where major works are required, the tenant may need to move out in order for these to take place. Any letting made will be on the basis that it is a temporary move (a decant) and the tenant will be able to return to their original home once the works have been completed.

11.50 These tenants will therefore be offered a licence agreement to occupy the temporary home, as their substantive and principle dwelling will remain their tenancy.

11.51 Decants to allow major repairs to private sector housing will be managed in accordance with the Housing Act 2004 and/or other relevant legislation or statutory instruments. Where issues of disrepair are so significant that an Emergency Prohibition Order is necessitated, the occupier(s) of the dwelling will qualify for Band 1 status from the date of the Order.

Best use of stock or tenants with an urgent need to move

11.52 In order to make best use of stock and if by moving a council tenant would avoid hardship the council can award priority banding Band 1.

11.53 This will only be awarded in exceptional circumstances and where banding has not otherwise been awarded through the policy for the same circumstance.

11.54 Applicants are not automatically entitled to this banding and cases will be assessed on a case by case basis and awards of this nature would have to have supporting information and agreed by the allocations panel.

11.55 Cases which could be considered but dependant on circumstances could include but are not limited too;

- Tenants who are enduring significant financial hardship where they are engaged and working with the tenancy sustainment team and all other options

have been considered, is moving to a smaller property and not eligible for incentive to move

- Applicants who are applying for 'joint to sole' due to domestic abuse and where they cannot remain in current home or living in a property too big for their need. A property would only be awarded to one party and supporting information would be required for example an injunction.
- Applicants who have resided in a council property for a significant period of time, not able to succeed a tenancy where they may have otherwise been able to (i.e. metal capacity of the tenant) and where there are other significant circumstances other than just the issue of non-succession (i.e. vulnerability, health issues).

11.56 Where banding of this nature is awarded an officer will be assigned and will make proxy bids on all suitable properties.

11.57 If applicants are offered a suitable property and refuse the banding for this priority will be removed

11.58 Applicants will only be awarded this priority where there is an urgent need to move and there is no other viable alternative, or other alternatives have been exhausted.

11.59 Banding should also only be awarded where they do not have the resource to secure alternative accommodation.

11.60 As banding for this circumstance is only open to council tenants any resulting offer would also be council accommodation.

Move-On from Care (Staffordshire County Council)

11.61 A care leaver or 'looked after child' (LAC) will be awarded high priority to move within this policy if they are ready to move into independent settled housing provided they satisfy certain criteria and in order to try and prevent homelessness will be awarded Band 1.

11.62 The care leaver must have been accommodated for the relevant period of time to be given its full status. This is usually for at least 13 weeks after the age of 14 and accommodated at least one day over 16.

11.63 A supporting letter would need to be issued by the relevant care authority (Staffordshire County Council) confirming their status and they are ready to move on.

11.64 They are ready and prepared to move to independent settled housing, which may be in the social or private sector, and both of the following criteria apply:
i. The care leaver possesses the life skills to sustain a tenancy and

- ii. The care leaver has been assessed for a support package, and one is in place.

Homeless Households and applying to join the housing register

- 11.65 Where applicants are homeless and have also applied to join the housing register they will not be disadvantaged.
- 11.66 Where applicants have made a homeless application but would still be considered to be entitled to banding under another reasonable preference category they will still be entitled to their normal banding until there has been a change of circumstance which mean the banding is otherwise no longer applicable, for example overcrowding or medical banding associated to a property which they have moved away from.
- 11.67 Due to the Homeless Reduction Act 2017 the Council has framed this policy in order to aid the Council and preventing homeless and discharging it duty.
- 11.68 Homeless Households will be awarding banding on a tiered approach depending what homeless duty may be owed and this is covered in further detail below.

Accepted statutory homeless households

- 11.69 *Households to whom the Council has accepted a full duty under Part 7 of the Housing Act (as amended) are entitled to one offer of suitable accommodation.*
- 11.70 Applicants are able to bid for advertised properties.
- 11.71 Within the provisions set out in the Localism Act 2011, they may also be considered for an offer of suitable private rented accommodation in line with the councils Discharge of Duty into the Private Rented Sector Policy which can be found at the following link. [Insert link](#)
- 11.72 All bids will be monitored by the Council and if an applicant does not bid on suitable properties an officer of the Council will make suitable proxy bids on their behalf. If applicants are not satisfied with any resulting offer of accommodation then they can request a statutory review under s202 of the Housing Act 1996, or appeal under S204 of the Housing Act 1996.
- 11.73 If the offer is deemed to be suitable but the applicant refuses the offer, the Council may discharge its duty to the applicant and their priority for housing will be reassessed in line with this Allocations Scheme. Applicants will also have a right to review on the decision to discharge duty under s202 and s204 of the Housing Act 1996.

Households who are homeless but where the full housing duty is not owed

- 11.74 Applicants that are owed a S189B Relief duty will be placed into Band 2 for as long as that duty is owed to the applicant. This banding is not subject to cumulative preference.
- 11.75 Applicants that are owed a S195 Prevention duty will be placed into Band 3 for as long as that duty is owed to the applicant. This banding is not subject to cumulative preference.
- 11.76 Applicants who have been assessed through the homeless legislation but where a full duty is not owed due to non-priority, intentionality or refusing a suitable offer of accommodation will be placed into band 3 until there has been a change in the circumstances or where in the case of intentionality there been an occurrence which would have made a break in the chain of causation.
- 11.77 Applicants that are owed an accommodation duty under section 193C (4) – applicants who have had their homeless duty discharged for failing to co-operate.

Review of 'suitability' of an offer of accommodation for households accepted as statutory homeless

- 11.78 Applicants that have been accepted as statutorily homeless are entitled to request a statutory review where they consider that an offer of accommodation was not suitable.
- 11.79 Where an applicant has refused a suitable offer of accommodation and the council discharges its relevant duties they would then be placed in Band 3.
- 11.80 Requests for a review of suitability must be made within 21 days of notification of the Council's decision
- 11.81 When refusing an offer of accommodation, the reasons for refusal must be provided to the Housing Solutions Manager who will review the case and make a decision on the applicant's review request within 8 weeks (56 working days).
- 11.82 The applicant/s will be advised to accept the offer, as the property will not be held whilst the review decision is being made. Any other bids made on other properties during this period will be discounted.
- 11.83 If the decision is that the offer was not suitable the applicant's priority will be reinstated to that prior to the refusal and they will be able to continue to bid.

11.84 If the review decision is that the offer was suitable and the applicant did not accept the property prior to requesting a review, the Council will:

- Notify them that it has discharged its duty under homelessness legislation and no further offer will be made
- Application will then remain in Band 3.

11.85 If an applicant remains dissatisfied they can request a further review on a point of law through the courts.

12 Procedure after an application has been registered

How the application is processed

12.1 Once an applicant, with their household, has been checked against the eligibility and qualification criteria, their application will be assessed in accordance with this scheme to ensure that those in greatest need are given preference for an allocation, and the application will be awarded a banding (see **section xxx for** determination of bands).

12.2 The application will be registered by entering details onto the Council's Housing IT system. Once an application has been registered, the applicant will be sent written confirmation of key details including their registration number and date, the band they have been assessed for, and which types of properties they can bid for. The letter will also confirm how to register and bid for properties.

Change of circumstances

12.3 Once registered it is the applicant's responsibility to inform the council of any change in circumstance that affect eligibility, qualification and/or priority or banding for housing. Examples could include but not limited to:-

- A change of address, for themselves or any other person on the application.
- Any changes in household of where the applicants or others included on the application live.
- If a member of the family or any other person on the application has left the household.
- Any change in income and/or savings or become property owners.
- Any medical/welfare or mobility needs which will affect the type of accommodation required
- Any changes to immigration status
- Change in contact details.

- 12.4 If the change in circumstances results in a change to the application's banding or position within a band then a letter will be issued informing the applicant of the change.
- 12.5 If a change of circumstances is not notified to the council prior to any offer of accommodation, the offer of accommodation maybe withdrawn/bypassed and position within the register reassessed.
- 12.6 The Council carries out an automated review of the Housing Register, and failure to respond to any contact in this matter will also result in the application being cancelled. Further details of the annual review are set out here.

Annual Review of applications

- 12.7 In order to maintain a Housing Register which accurately reflects current housing need, applicants will be required to respond to a review of their application at least once per year. This review process involves confirming whether any changes in circumstances need to be reported and if they want to remain on the register.
- 12.8 If an applicant fails to respond to the review letter within the allocated time of 28days from the review letter and they have not been actively bidding their application will be cancelled and removed. The applicant will then need to register a new application and be reassessed with a new band and priority date, should they still have a housing need.
- 12.9 Cancelled applications will only be reinstated in exceptional circumstances at the discretion of the Housing Solutions Manager provided the request is received within 6 weeks and provided there were strong grounds for not responding, e.g. the applicant was in hospital and appropriate evidence is provided.
- 12.10 Where the Council identifies that an applicant has special requirements around correspondence, or is vulnerable, the Housing Solutions team will make all reasonable efforts to contact them through known third parties or other methods.

Cancelling Applications

- 12.11 Applications will be cancelled from the housing register in the following circumstances:
- A written request has been received to do so from the applicant (or, where a joint application, both applicants).
 - There is no reply to the annual review,

- The applicant has been rehoused through the housing register, nomination to registered provider or by a mutual exchange.
- The applicant has become disqualified
- The applicant has not placed any bids on properties within a year
- Refuses 3 suitable offers of accommodation within a 12month period.

12.12 The council reserves the right to cancel an application where 3 offers of suitable accommodation have been refused by the applicant within a 12month period. This is will be determined by the allocations panel and there is a subsequent right to review in which an officer not involved in initial decision would complete. This does not include bids made and refused retrospectively before this policy is implemented and therefor an application will not be cancelled until applicants have refused 3 suitable properties that have been offered from the inception of this policy.

12.13 Applicants will only have their application cancelled where they have failed to make bids on properties within a 12 month period since the inception of this policy.

12.14 Where any application has been cancelled, there will be a right to review and this should follow the process confirmed in section 13.

12.15 All applicants will be given a period of 21days following any notice of our intention to cancel their application for applicants to disagree with the decision, submit a review request and provide evidence.

12.16 Where an application has been cancelled through non-bidding, applicants will not be able to re-join for a 3month period unless they have incurred an exception change in circumstances.

Band 1 and Band 1+ review

12.17 It is expected that all applications awarded Band 1 or Band 1+ have the most need to move and need to move quickly, there for all applicants placed into Band 1+ and Band 1 will be subject to a regular review, this will usually be quarterly.

12.18 All applications in these top bands will be assigned an officer to ensure bids are being placed and where bids are not being made a proxy bid will be made.

12.19 The review will ensure that housing staff are monitoring and supporting applicants in bidding or identifying other housing options.

12.20 At the end of the initial 2 months, subject to a satisfactory review, the band 1/band 1+ status can be extended by a further 2 months, by which time there is an expectation that the applicant's housing needs would have been met, if

the applicant has still not be rehoused by this point the application will be regularly reviewed in line with the procedure.

- 12.21 This review does not apply to households accepted as statutorily homeless as they are processed differently and subject to different rules.
- 12.22 Senior managers and the allocations panel will oversee all Band 1+ and Band 1 cases every month to ensure that local case management and housing options are being fully explored.
- 12.23 If an applicant in Band 1 or Band 1 + is not bidding or refuses a suitable offer of accommodation the application may forfeit their band 1 status, this will be decided upon through the allocations panel. If an applicant forfeits their additional status they have a reduced preference applied to Band 2, unless it is a homeless offer in which different rules apply.
- 12.24 All applicants who are placed in these priority bands will require a suitability of accommodation assessment completed when they are placed in these bands. This will help identify what properties and areas may or may not be suitable and assist the officer assigned to case when making proxy bids. Any proxy bids made should be in line with the suitability assessment.
- 12.25 Applicants will have 21 days in order to submit a review following a decision to demote the banding or following a refusal of accommodation.

13 Reviews/ Appeals

- 13.1 Applicants have the right to request a review of these or any other decisions made by the Council. Examples of circumstances where a review of the Council's decision can be requested are where:
- The applicant is found to be ineligible
 - The applicant is found to be disqualified
 - The applicant's application has been cancelled due to non-bidding. Applicants will not be able to re-join for a period of 3 months.
 - The applicant accepted the disqualification but is unhappy with the duration of the exclusion from the housing register
 - Due to a change in circumstances, the applicant's banding is altered
 - The applicant is unhappy with the banding awarded
 - Applicant does not believe that an offer of accommodation was reasonable or suitable.
- 13.2 This review/appeal process only applies to decisions in relation to the housing register, reviews and appeals in relation to homelessness decisions are subject to separate processes not covered within this policy other than where there is an overlap for example, review of suitability of accommodation which was documented in section.

13.3 Dependant on what the applicant wants reviewing or is appealing may be dealt with differently and the processes are covered below.

13.4 The request for a review should be addressed to:

Housing Solutions Service

Tamworth Borough Council

Marmion House,

Lichfield Street

Tamworth

Staffordshire

B79 7BZ

13.5 Where the applicant cannot write their own letter, they can visit the Council's reception at Marmion House, or telephone the Housing Solutions Service and a Council officer will help them.

13.6 Applicants will have a period of 21 days in order to request a review of decision. Officers will then have 28 days in order to complete a banding review or period of 56 days in order to complete a suitability of accommodation review.

13.7 Whilst applicants are under review any bids applicants make will be discounted.

Review of Banding

13.8 All new applications, change of circumstances or where new supporting information has been provided will initially be assessed by a Housing Solutions Advisor. The applicant would be advised of the decision by a notification letter in writing (including by email)

13.9 If the applicant is dissatisfied with the decision that has been reached, the applicant can request a banding review within 21 days of the date of the notification letter.

13.10 A band review will be dealt with by a more senior Officer within the Housing Solutions Service team, who will assess all known facts and information available to them and will review the decision.

- 13.11 The Officer has a further 28 days from when the banding review has been received to make a decision and the applicant will be notified in writing.
- 13.12 If the senior determines that the information provided results in an amendment to the band the date of the banding will apply from the date the latest piece of supporting information was received so as not to penalise the applicant. If no new information has been supplied the band date would remain the original band date. The applicant would be advised in writing as the outcome of this review
- 13.13 If the applicant remains dissatisfied the applicant has a final right to a review by the Housing Solutions Manager. The Manager will review the existing information and if the Policy has been applied correctly and will advise the applicant of the outcome within 28 days in writing.

Review of Disqualification and other Reviews

- 13.14 Most decisions may initially be made by the housing solutions advisors in which any review would then lie with Senior in the housing solutions team. For any decisions that are made by a senior or the allocations panel the reviews would be dealt with by the Housing solutions manager or housing manager who has remained impartial from the allocations panel in the respect of decision regarding the given case.
- 13.15 Decisions to disqualify from the Housing register are made by the Council's Allocations Panel and the applicant will be called into interview to discuss this and will then be notified via a letter. When a decision has been made to disqualify an applicant from the register they have the right to a review. The review will be carried out by the Housing Solutions Manager.
- 13.16 All requests must be made within 21 days of the relevant notification letter
- 13.17 The review must be considered on the basis of policy, law and known fact at the date of review. It will consider any representations, written or otherwise, made by the applicant or on the applicant's behalf.
- 13.18 The reviewers have a further 56 days to conduct the review.
- 13.19 A written notification of the decision, including the grounds of the decision, will be sent to the applicant. All correspondence will be sent to the applicant's home address or a mailing address of their choice. If the applicant is of no fixed abode, the decision letter can be collected from the Council offices in Tamworth where it will be held for 28 days after the decision is made.

Further reviews

- 13.20 Where an applicant is unhappy with the Council's review decision, they are entitled to write to the Housing Ombudsman, 81 Aldwych, London, WC2B 4HN.
- 13.21 If an applicant's remains dissatisfied and feels the council have not acted correctly an applicant may also apply for a judicial review.

14 Affordability

- 14.1 All applications where they have a successful bid will be screened for affordability.
- 14.2 Where an applicant applies and they have nil income, the housing solutions service will refer to applicant to the Councils debt advice service for further advice on income maximisation.
- 14.3 All applicants must be able to show that they are working and have sufficient income or have suitable benefits in place to afford the rent and other costs i.e. service charges.
- 14.4 Tamworth Borough council has a duty to protect the public fund it administers and so where an application is unable to satisfy that it will be able to afford any offer of accommodation; Tamworth Borough council retains the right to withdraw an offer of accommodation where applicants cannot demonstrate they can afford a property.

15 Lettings plans

Annual lettings plan

- 15.1 The Council wants to be fair to all applicants, so that they are clear about the realistic opportunities for successful bidding for home. Therefore, each year the Council will publish a Lettings Plan based on an estimate of the number and type of properties that are anticipated to be available for letting. This plan will include specific opportunities for bidding, which may include limiting bidding for homes in higher demand to those in higher bands.
- 15.2 This is included as an Appendix and any annual lettings plan would be published on the council's website www.tamworth.gov.uk .

Local lettings plan

- 15.3 *The Housing Act*⁸ allows the Council to allocate particular accommodation to people of a particular description, whether or not they fall within the reasonable preference categories, provided that overall the Council demonstrates compliance with the Housing Act 1996.
- 15.4 A local lettings plan should not be confused with local connection criteria as this is a separate issue with separate criteria on who can join the housing register.
- 15.5 The Council may at times use local lettings plans to allocate a property and facilitate sustainable communities. Factors that may prompt these include:
- Particular management problems identified in an area.
 - Allocation of a new or refurbished development to ensure the creation of a balanced and sustainable community, for example consideration of child density levels.
 - Planning requirements (also known as section 106 conditions)
 - Assistance with the wider strategic objectives of the Council, for example to remedy under-occupation of existing social rented homes.
- 15.6 Any local lettings plan, subject to member approval, will be published and appended to this Policy.
- 15.7 Annual impact assessments will be undertaken of local lettings plans, allowing for detailed consultation, review and monitoring of each as appropriate and enabling the Council to respond to a changing social and economic climate.

16 **Exceptional circumstances where the Allocations Scheme may be over-ridden**

- 16.1 There may be exceptional circumstances which are minor in number and nature such as direct lets, non-application of reduced preference, best use of stock where an override to the policy may be approved by a Director subject to a sound business case.

Overriding the Policy

- 16.2 There are some exceptional circumstances where this Scheme may be over-ridden in order for a specific property to be allocated. Examples could include:
- There is no application on the housing register eligible for an offer of the home which may result in open allocation

⁸ S167(2E) 1996 Housing Act

- The home is adapted but applicants needing this adaptation would not ordinarily be eligible for that property type or with the correct bedroom requirements

16.3 Similarly, an over-ride may be approved in respect of certain applicants, for example:

- A direct match of a property is required for reasons of vulnerability or witness protection – in this case the home will not be advertised
- A need to decant tenants where their homes require major repairs, refurbishment or rebuilding
- Where applicant households are eligible for a 4 or 5 bedroom property but they are willing to consider a smaller home. This will be subject to consideration of the sustainability of that home, and the legislation on overcrowding. Where the bedroom needs are linked to medical need then this would not apply unless the applicant agrees to withdraw the medical information and the medical information and banding on this basis is discounted. Where banding due to overcrowding has also been applied but applicants are now moving like for like the banding due to overcrowding would also be discounted.

16.4 For more senior overrides these would need to be approved by a Director (and where appropriate the Council's solicitor/monitoring officer). These will also be logged and routinely reported to the Portfolio Holder for Housing.

Direct Lets

16.5 By way of exception to the choice based lettings there will be some direct lets, often referred to as management moves, direct offers or direct lets. These will occur where:

- The letting is sensitive and it should not be advertised either due to the property or the person, e.g., MARAC⁹ referrals.
- An offer of accommodation to an applicant on a witness protection programme.
- An adapted property is identified by an Occupational Therapist as a suitable match for someone on the adaptations waiting list with requiring the need for significant or multiple adaptations. The requirement alone for a level access shower would not suffice due to them usually being more readily available and a lot of people requiring them on the housing register.
- The property is to be used as a decant or temporary accommodation
- Other occasions at the discretion of the Head of Strategic Housing or Head of Landlord services

⁹ Multi-Agency Risk Assessment Conference

- 16.6 A direct let is simply an offer made direct to an applicant without the property being advertised, and therefore properties will still be let in accordance with this Policy. Allocations of this nature will be kept to a minimum to maintain a fair and transparent allocation scheme, with the majority of applications being made to applicants that fall within the reasonable preference categories as set out in the Housing Act 1996.¹⁰
- 16.7 Applicants who are being awarded a direct match would not otherwise be entitled to banding. Where they then refuse a suitable offer they may be disqualified for a period of 12 months or otherwise allowed to remain on the register will have a reduced preference applied.
- 16.8 An applicant who is subject to a direct let will only be entitled to one offer of accommodation. Any offer will need to be suitable and be subject to the review of suitability procedures

Serious Offenders

- 16.9 Applications made by applicants with a serious offence history will be subject to a robust and appropriate assessment of their eligibility and will be considered where an applicant needs accommodation that can be suitably monitored and managed due to risk the applicant may pose or any risk to the applicant themselves.
- 16.10 An allocation will only be made following a multi-agency risk assessment and once suitable accommodation has been identified and approved by a vulnerability panel.
- 16.11 This will consider MAPPA (Multi-agency Public protection arrangements) guidance for high risk offenders.
- 16.12 Serious offenders will only be entitled to one offer of accommodation
- 16.13 They will be restricted with bidding and property's will be identified and recommended by the vulnerability partnership. They will not be issued a band and will be subject to a direct match. Refusing a direct match would mean an applicant is disqualified or where they are allowed to remain on the register would then have a reduced preference applied.
- 16.14 The final decision in relation to a property lies with the Housing Solutions Manager.
