| The Licensing Act 2003 came into force on 24 November 2005. From that date the Licensing Authority became responsible for issuing authorisations for premises in the Borough in respect of the sale and supply of alcohol, the provision of regulated entertainment and late night refreshment. The Borough Councils licensing policy and associated cumulative impact assessment responds to this legislation and requires regular review to ensure that the policy remains up to date and relevant. | | | | |
| The current policy expires at the end of the year. A revised policy is necessary from January 1 2020 onwards. | | | | |
| Who will be affected | and how? | | | |
