Please e-mail to : ndr.statistics@communities.gov.uk

Please enter your details after checking that you have selected the correct authority name

Forms should be returned to the Ministry of Housing, Communities and Local Government by **Friday 31 January 2020**

All figures should be entered in whole £

Please remember that a copy of this form, signed by your Chief Financial Officer / Section 151 officer should also be sent to your relevant Precepting Authorities, and Pool Leads (if applicable).

These instructions highlight the special features of the form and should be **read in conjunction with the Guidance Notes and Validation notes.**

Completing the form

1. The form can be set up for each individual local authority by selecting the appropriate authority name from the list. The example shows the local authority ZZZZ. Once a local authority name is selected the spreadsheet will automatically complete the data for the white cells with a blue border.

2. There are three different type of input cells:

* White, Black Border - these are blank for new data - Please ensure all white cells are filled before submitting the form including entering zeroes where appropriate.

* White background, green border - These cells are information cells and have the appropriate formula in them. **Please do not overwrite the formula.**

* White background, blue border - actual data entered by the Ministry of Housing, Communities and Local Government into these cells.

The **Total column** is greened out - there is no need to enter data in any of these cells.

In addition areas of the form are **greyed out** - especially for those authorities that do not have designated areas. **Please do not enter data** in these areas as this will cause delay as we will have to ask you to complete a revised form.

Entering data

3. All values in the form should be entered in whole £. Except for part 1 of the form, **receipts** (eg sums due to the billing authority from ratepayers, or central government) should always be entered as **positive numbers**. **Payments from the authority, or amounts foregone** (eg reliefs given to ratepayers) should always be entered as **negative numbers**.

4. Where possible, you will be prevented from entering data with the wrong sign (+ve when it should be -ve or vice versa).

Updates

We will use this area to list any updates to the form in the future if required

Checking the Validation Sheet

5. Once the form has been completed go to the validation sheet and check if any of the data require any further explanation. The data are compared with the NNDR1 for 2019-20 and, if the change in number or percentage terms is higher or lower than we would normally expect, you are asked to provide an explanation for the change in the box provided.

For further details on the types of checks we do see *Validation notes for NNDR1 2020-21*.

Signing the Form

6. When the data have been checked and verified please email the complete file to ndr.statistics@communities.gov.uk
