However, in line with Central Government requirements, the County Council had implemented a Care Homes Support Plan to provide (i) Advice and guidance; (ii) training in infection control; (iii) supplies of Personal Protective Equipment; (iv) surveillance and response to cases and outbreaks; (v) Clinical support; (vi) testing; (vii)</p>	<p>All Districts and Boroughs</p>

intensive support with staffing where required; (viii) arrangements to reduce the movement of staff and; (ix) additional funding. They were pleased to note that the plan had helped to alleviate the position in respect of the above-mentioned areas but agreed to keep Staffordshire's response to the Pandemic under review as the situation both nationally and locally developed.
