PURPOSE

The Local Authorities (Executive Arrangements) (Meetings and Access to Information) Regulations 2012 specify and require *inter alia* under Regulation 19 that the executive leader must submit a report on a regular basis to Council containing details of particulars of each urgent executive decision together with a summary of the matters in respect of which the decision was made.

RECOMMENDATIONS

That the Council endorse the Annual Executive Arrangements Report.

EXECUTIVE SUMMARY

The Local Authorities (Executive Arrangements) (Meetings and Access to Information) Regulations 2012 came into force on 10 September 2012 making provision for public access to meetings and to information relating to decisions of local authority executives and their committees and access to documents where executive decisions are made by individual members or officers.

The regulations require a document to be published of key decisions (a decision likely to result in the local authority incurring expenditure, which is, or the making of savings which are, significant having regard to the local authority's budget for the service or function to which the decision relates) with 28 days' notice of an intended key decision whether it contains exempt information or not as the case may be. As the Council already produced and published a forward plan it retains this document adding additional information in terms of the regulations to ensure compliance. There are also regulations to deal with general exceptions and cases of special urgency including publicity requirements in relation thereto.

The regulations also impose a requirement on the executive leader to produce an annual report to the authority to demonstrate that the Executive is using its powers appropriately and complying with the regulations particularly in relation to urgent executive decisions.

Regulation 19 places an obligation on the executive leader to submit one report annually to the

authority to include particulars of each urgent executive decision made and a summary of the matters in respect of which each decision was made. Since the regulations came into force on 10 September 2012, for the period 01 May 2020 until 30 April 2021 I can confirm that two such decisions has been taken by the executive under regulation 11, cases of special urgency. These are detailed in **Appendices 1 and 2**.
