Recommendation

That Members consider the Annual Report on the Treasury Management Service and Actual Prudential Indicators 2020/21, as detailed at Annex 1, and highlight any proposed changes for recommendation to Cabinet.

Executive Summary

At its meeting on 23rd February 2010, the Council approved the Treasury Management Strategy and Prudential Indicators including, as required by the Code, that the Audit & Governance Committee be given the opportunity to scrutinise the strategy and policies, as well as receiving regular monitoring reports.

With regard to the appointment of a Committee to be responsible for ensuring effective scrutiny of the Treasury Management Strategy and Policies, the code suggests:

- This involves reviewing the Treasury Management policy and procedures and making recommendations to the responsible body;
- Public Service Organisations have a responsibility to ensure that those charged with governance have access to the skills and knowledge they require to carry out this role effectively;
- Those charged with Governance also have a personal responsibility to ensure they have the appropriate skills and training in their role;
- The procedures for monitoring Treasury Management activities through audit, scrutiny and inspection should be sound and rigorously applied, with an openness of access to information and well-defined arrangements for the review and implementation of recommendations for change; and
- This includes the provision of monitoring information and regular review by Councillors in both executive and Scrutiny functions.

In compliance with the above, a copy of the Annual Report on the Treasury Management Service and Actual Prudential Indicators for 2020/21 is attached at **Annex 1**.
