PAY POLICY STATEMENT 2021

Exempt Information

None.

Purpose

This report details Tamworth Borough Council's Pay Policy Statement so that statutory guidance as set out in S38 of the Localism Act is adhered to.

Recommendations

That the Pay Policy Statement 2021 is formally approved by Full Council for adoption and publication in line with the Localism Act 2011.

Executive Summary

Under section 112 of the Local Government Act 1972, the Council has the "power to appoint officers on such reasonable terms and conditions as authority thinks fit". The Pay Policy Statement (Appendix 1) sets out the Council's approach to pay in accordance with the requirements of Section 38 of the Localism Act 2011.

The purpose of the statement is to provide transparency with regards to the Council's approach to setting the pay of its employees by identifying:

- The methods by which salaries of all Tamworth Borough Council employees are determined,
- The detail and level of remuneration of Tamworth Borough Council's most senior staff i.e. 'Chief Officers', as defined by the relevant legislation,
- The Committees responsible for ensuring the provisions set out in this statement are applied consistently throughout the Council and recommending any amendments to Full Council.

Once approved by Full Council, this policy statement will come into effect and will be subject to review on a minimum of an annual basis in accordance with the relevant legislation prevailing at that time.

The Equality Act 2019 (Specific Duties and Public Authorities) Regulations 2017 require Tamworth Borough Council to calculate and publish the pay gap between male and female employees each year. The data is based on the pay situation as at 31st March each year and is published on Tamworth Borough Council's and the Government's website. The report was ratified by Council on 16th March 2021.
