

QUESTIONS FROM MEMBERS OF THE PUBLIC NO. 1 Under Schedule 4, 13, Mr H Loxton will ask the Portfolio Holder Environment and Leisure, Councillor Rob Pritchard, the following question:-

“I’m sure councillors would agree with me it’s amazing to see so many volunteers picking up litter in our town, and I’m sure they would like to take the opportunity to thank them all.

Can I ask as a result of the amount of litter now being collected by these groups and individuals if the cost of litter removal spent by the council themselves has reduced, and if so how that money saved has been utilised?”
