N/A This policy applies to all applying for a sexual establishments licence and has no bearing on any impact areas other than offending past.

Part 4 – Risk Assessment From evidence given from previous question, please detail what measures or changes will be put in place to mitigate adverse implications Impact Area Details of the Impact Action to reduce risk					
Eg: Families	Families no longer supported which may lead to a reduced standard of living & subsequent health issues	Signposting to other services. Look to external funding opportunities.			
Those having an offending past	If a relevant offence is held they will not be granted a licence	Advice provided as to when they would be able to apply for a licence.			

Part 5 - Action Plan and Review

Detail in the plan below, actions that you have identified in your CIA, which will eliminate discrimination, advance equality of opportunity and/or foster good relations.

If you are unable to eliminate or reduce negative impact on any of the impact areas, you should explain why
