

Polling Districts, Places and Stations Review 2024

Polling District

A polling district is a geographical subdivision of an electoral area. For example a parliamentary constituency or a borough ward.

Polling Place

A polling place is the area in which the Returning Officer selects the polling station. In Tamworth, it will be recommended that polling places represent the same area as the polling district plus the adjoining polling district(s) to allow a greater degree of flexibility in deciding where a polling station should be located.

Polling Station

The polling station is the room or building where the poll takes place. This location is selected by the Returning Officer.
