

Equality, Social Inclusion and Health Impact Assessment (ESHIA)

An ESHIA is a review of a new or existing policy, strategy, project, report or service change to establish whether this has a differential impact on specific equality groups and identifies how we can improve equality of opportunity for different groups of people.

An ESHIA aims at improving Tamworth Borough Council's work, by promoting equality, social inclusion, health and wellbeing by ensuring that the proposed or existing policy promotes equality and can benefit a wide range of people.

Equality, Social Inclusion and Health Impact Assessment (ESHIA)

Part Two: Full assessment

Section 1

The purpose of the project, proposal or decision required. Set out the aims, objectives, purpose and outcomes of the area being impact assessed. Are any other functions, policies or services linked to this assessment?

The Corporate Plan for 2025 - 2030 that sets out the Council's vision and priorities has been in development since June 2024.

The Annual Delivery Plan will have far reaching implications in terms of the documents and actions that will be developed to address key strategic challenges for the council. However the draft action plan does not authorise any policy or strategy to be agreed without following normal approval routes and being subject to further ESHIA. These include:

New Corporate Plan 2025-2030 MTFS and HRA business plan Equality and Diversity Strategy Financial Stability Plan Performance Management Framework Asset Strategy and Management Plans SMART Working Framework OD and Workforce Strategy ICT Strategy/Digital Transformation Strategy Asset Based Community Development plan/Community Cohesion work Social Housing Improvement Programme

Section 2

Evidence used and considered. Include analysis of any missing data.

The new corporate plan has been informed by several key elements:

- The aspirations of the new Cabinet, the council and all members
- The views of residents through regular surveys and specific consultation exercises commissioned in 2024 and the most recent survey in Autumn 2024
- Existing commitments, such as key projects and existing strategies that extend beyond the current plan period.
- The current and future financial situation of the council the Medium-Term Financial Strategy (MTFS).
- Local statistics that highlight areas of concern/ focus
- Input from statutory and key strategic partners including Better Together Tamworth
- The views of local businesses, voluntary sector and staff

An outline of the emerging plan was presented to Corporate Scrutiny in June and further in August on progressing consultation and engagement.

The development of the plan has been shaped by consultation and collaboration with residents, staff, members, community groups and key strategic partners to ensure it reflects the needs and expectations of our residents. It is an integral part of our medium-term financial strategy (MTFS) to ensure its viability and deliverability. As such the Corporate Plan itself forms an integral part of the Medium-Term Financial Strategy Document, which will be presented for discussion at Cabinet on 20 February and for adoption at Full Council on 25 February.

Section 3

Consultation undertaken with interested parties who will/may be affected proposal? What were the outcomes of the consultation?

Key officers from ELT and CMT have been consulted to ensure the plan will enable them to create realistic plans to deliver the actions outlined and sufficient Key Performance Indicators (KPIs) to allow effective performance management and assurance of progress.

Section 4

What are the potential or actual impacts of the proposal? Please consider both the direct and indirect impact and refer to the guidance for additional information.
