

Equality, Social Inclusion and Health Impact Assessment (ESHIA)

An ESHIA is a review of a new or existing policy, strategy, project, report or service change to establish whether this has a differential impact on specific equality groups and identifies how we can improve equality of opportunity for different groups of people.

An ESHIA aims at improving Tamworth Borough Council's work, by promoting equality, social inclusion, health and wellbeing by ensuring that the proposed or existing policy promotes equality and can benefit a wide range or people.
