REPORT OF THE CHAIR OF HEALTHIER AND SAFER SCRUTINY

RECOMMENDATIONS TO CABINET

That Cabinet be asked to:

- (1) Ensure that support is available from Tamworth Borough Council staff for adults with learning difficulties living independently in TBC owned properties;
- (2) Keep sports / fitness course costs as low as possible, if not free;
- (3) Last year's play programme was a success, therefore, Cabinet should look to expand the programme in 2013 with low cost / free to attend events;
- (4) Explore external funding to subsidise the above recommendations, and;
- (5) Retain £15,000 in 2013 Council budget for tackling obesity.
