Dear Sir/Madam

Application for a Temporary Event in respect of Olivers, 19 Lower Gungate, Tamworth, Staffordshire. B79 7AT on 29th September 2013.

I am in receipt of an application for a Temporary Event Notice at Olivers, 19 Lower Gungate, Tamworth, Staffordshire. B79 7AT. The application seeks to extend the hours during which the premises will be open to members of the public. It also seeks to extend the times during which alcohol, regulated entertainment and late night refreshment would be provided.

This premise has experienced crime and disorder incidents and should this application proceed to a hearing, full details will be supplied to both yourselves and the applicant. In view of this I wish to make representations and formally object to this application on the following grounds:

Prevention of crime and disorder
Public Nuisance

It is the police's view that the granting of the application which would permit customers to consume alcohol and remain in the town centre for longer, on the balance of probabilities increases crime and disorder and public nuisance at the premise.

Yours sincerely
