BACKGROUND INFORMATION

This forms part of the Council's Corporate Credit Policy and effective management of debt.

The Council is committed to ensuring that debt write offs are kept to a minimum by taking all reasonable steps to collect monies due. There will be situations where the debt recovery process fails to recover some or all of the debt and will need to be considered for write off in accordance with the schemes of delegation prescribed in the Corporate Credit Policy.

The Council views such cases very much as exceptions. Before writing off debt, the Council will satisfy itself that all reasonable steps have been taken to collect it and that no further recovery action is possible or practicable. It will take into account the age, size and types of debt together with any factors that it feels are relevant to the individual case.

Debt Write Off

Authorisations are needed to write off debt as follows:

<u>Authority</u>	<u>Account Value</u>
Chief Officer (or authorised delegated officer)	up to £5,000
Executive Director Corporate Services	£5,001 - £10,000
Cabinet	over £10,000

These limits apply to each transaction

Bad Debt Provision

The level of the provision must be reviewed jointly by the unit and Accountancy on at least a quarterly basis as part of the management performance review, and the table below gives the mandatory calculation.

Where the debt is less than 6 months old it will be written back to the service unit.

Debt Outstanding	Provision (net of VAT)
Between 6 and 12 months old	50%
Between 12 and 24 months old	75%
Over 24 months old	100%

The financial effects of providing for Bad Debts will be reflected in the Council's accounts at Service Unit level.
